IN THE WIRELESS COMUNICATIONS LICENSE AREA)	
IN THE COMMONWEALTH OF KENTUCKY)	
IN THE COUNTY OF BOURBON)	
)	
SITE NAME: PEACOCK)	

O R D E R

On April 11, 2002, Crown Communication Inc. and Kentucky CGSA, Inc. (hereinafter Applicants) filed a motion to amend the June 8, 2001 certificate of public convenience and necessity to construct the wireless facility to be located at 1568 Cynthiana Road, Paris, Bourbon County, Kentucky. Applicants assert that they have diligently pursued approval of the site from the Federal Communications Commission (FCC) and have continued to negotiate with the state historical preservation officer and other groups. To date, final approval from the FCC has not been granted.

Though construction on the site will not begin until after one year from the Commission s Order, KRS 278.020(1) requires construction to begin within a year of the approval exclusive of any delay due to failure to obtain any necessary grant or consent. The Commission finds that the delay herein is caused by lack of necessary consent. Therefore, this motion is not necessary and should be dismissed. Applicants shall notify the Commission upon receipt of the FCC approval and upon commencement of construction.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 7th day of May, 2002.

By the Commission

ATTEST:

A handwritten signature in black ink, appearing to read "Thomas H. (T) H.", written over a horizontal line.
