

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF THE LOUISVILLE GAS )  
AND ELECTRIC COMPANY TO ESTABLISH ) CASE NO. 2000-00548  
PREPAID GAS AND ELECTRIC SERVICE )

O R D E R

On January 4, 2002, the Commission issued its Order in this proceeding authorizing Louisville Gas & Electric Company ( LG&E ) to continue its pilot prepaid meter program for residential customers and requiring that it file a report on the results of the program no later than May 31, 2002. On January 28, 2002, Metro Human Needs Alliance and People Organized and Working for Energy Reform ( MHNA/POWER ) filed a motion for reconsideration requesting that the report to be filed by LG&E contain sufficient information to separately identify the program results for LIHEAP-eligible participants. The Kentucky Association for Community Action and the Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. filed a joinder in support of the motion.

On January 31, 2002, LG&E filed a response offering to provide the information requested by MHNA/POWER. Specifically, LG&E proposed to place an asterisk in its report next to each program participant to designate LIHEAP eligibility during the 2000-2001 winter heating season, the 2001-2002 winter heating season, or both.

The Commission, having considered MHNA/POWER's motion and LG&E's response, and being otherwise sufficiently advised, hereby finds that the motion should be granted and that the requested information should be included in LG&E's report in the manner proposed by LG&E.

IT IS THEREFORE ORDERED that MHNA/POWER's motion for reconsideration is granted and LG&E shall include the requested information in its report in the manner proposed in its response to the motion.

Done at Frankfort, Kentucky, this 15<sup>th</sup> day of February, 2002.
