

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF GAS RATES OF THE ) CASE NO.  
UNION LIGHT, HEAT AND POWER COMPANY ) 2001-00092

O R D E R

On January 31, 2002, the Commission issued an Order in this proceeding approving, among other things, changes in certain rates of The Union Light, Heat and Power Company ( ULH&P ). It has since come to the attention of the Commission that the amount of gross revenues to be produced by the new rates of \$97,545,026, as stated in the second full paragraph on page 68 of the Order, is incorrect. The correct amount is \$98,421,745. This is an inadvertent error and is unrelated to the Commission's decision.

The Commission has determined that the rates for Schedules RS and GS set forth in Appendix A to the Order fail to produce the additional revenues approved by the Commission. Therefore, Appendix A to the Order should be corrected nunc pro tunc to reflect the correct rates for Schedules RS and GS. Correction of this error results in the following commodity charges:

Schedule RS	23.20 ¢ per Ccf
Schedule GS	20.46 ¢ per Ccf

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that:

1. The amount of gross revenues to be produced by the new rates is \$98,421,745.

2. The commodity charges for Schedules RS and GS are:

Schedule RS      23.20 ¢ per Ccf

Schedule GS      20.46 ¢ per Ccf

3. ULH&P shall file with this Commission its revised tariffs setting out the rates approved herein when it files its tariffs as required in the January 31, 2002 Order in this proceeding.

4. Other than the matters addressed herein all findings and Orders contained in the January 31, 2002 Order in this proceeding shall remain in full force and effect.

Done at Frankfort, Kentucky, this 15<sup>th</sup> day of February, 2002.
