O R D E R

On February 25, 2002, the city of Russellville (Russellville) filed a motion requesting that the Commission schedule oral argument to hear issues raised by the Commission s show cause order of December 20, 2001, and by the Motion to Dismiss filed by Russellville on January 11, 2002.¹ To support its motion, Russellville claims [t]he issues in this case are significant not only to the parties to this case, but to other cities which have water contracts with regulated utilities, and oral argument will assist the Commission in its consideration of these important issues.²

Upon review of the record herein, we find that oral argument is unnecessary. The existing record provides sufficient evidence to enable us to render a final decision in this case.
