O R D E R

On March 25, 2002, Third Kentucky Cellular Corporation d/b/a Wireless 2000 Telephone (Third Kentucky) notified the Commission, by letter, that it was withdrawing its application in the above-referenced case. The Commission will treat Third Kentucky's letter as a motion to dismiss.

The Commission finding that good cause exists to dismiss this case, IT IS HEREBY ORDERED that:

1. Third Kentucky s motion to dismiss is granted.
2. Third Kentucky also states its intention to file a new application to serve the area under this docket number. However, because the filing of separate applications under the same docket number could lead to confusion among those who receive, and read, regulatory notices of proposed construction, retaining this docket number would be

impractical. Third Kentucky must, therefore, obtain a new docket number for notice purposes prior to filing its new application.

3. This proceeding is concluded and shall be removed from the Commission's docket.

Done at Frankfort, Kentucky, this 17th day of April, 2002.
