

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF CINERGY COMMUNICATIONS)	
COMPANY FOR ARBITRATION OF AN)	CASE NO.
INTERCONNECTION AGREEMENT WITH)	2001-00432
BELLSOUTH TELECOMMUNICATIONS, INC.)	
PURSUANT TO U.S.C. SECTION 252)	

O R D E R

On July 12, 2002, the Commission, by Order, addressed the disputed issues between Cinergy Communications Company (Cinergy) and BellSouth Telecommunications, Inc. (BellSouth) in this arbitration proceeding. BellSouth and Cinergy have applied for clarification or rehearing of the Commission s Order. Cinergy has requested rehearing of the issue of unbundling packet-switching as an unbundled network element (UNE). BellSouth and Cinergy both have requested clarification of the Commission s decision concerning provision of BellSouth digital subscriber loop service over CLEC UNE-Platform lines. BellSouth prefers that the Commission reconsider its decision but, in the alternative, asks for clarification.

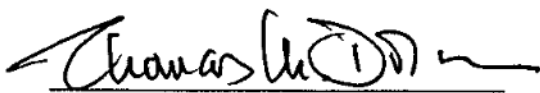

The Commission, having considered the requests of BellSouth and Cinergy, and having been otherwise sufficiently advised, hereby finds that rehearing should be granted for the purpose of clarifying the July 12, 2002 Order. The Commission anticipates that an Order will be entered in the near future which will clarify its previous ruling.

IT IS THEREFORE ORDERED that the motions for clarification of BellSouth and Cinergy are granted.

Done at Frankfort, Kentucky, this 21st day of August, 2002.
