O R D E R

On September 25, 2002, the city of Taylor Mill, city of Walton, and Bullock Pen Water District ( Intervenors ) jointly moved the Commission to amend the procedural schedule established in this case to allow them an additional 5 days to file direct testimony. The Intervenors set forth several reasons to support their motion. They state that their difficulty in obtaining an expert witness, the volume of material that must be reviewed by the expert, and the Commission's recent denial of additional time for discovery make the requested extension necessary.

The Commission, having reviewed the motion and being otherwise sufficiently advised, finds that the Intervenors have shown good cause to amend the procedural schedule to allow them additional time to file testimony.

IT IS THEREFORE ORDERED that the procedural schedule previously established by the Commission in this proceeding is amended as set forth in Appendix A to this Order.

Done at Frankfort, Kentucky, this 27<sup>th</sup> day of September, 2002.
