O R D E R

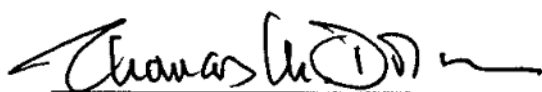

On August 9, 2002, Madison County Utility District (Madison District) filed an application for an adjustment of its rates. The Commission entered an Order on August 20, 2002, setting out a procedural schedule for data requests and responses. On October 25, 2002, Madison District filed a motion for an extension of time in which to file its responses to the supplemental interrogatories and requests for production of documents due October 28, 2002. Madison District stated its accountant required an additional 7 days, or until November 1, 2002, to prepare and file its responses to the interrogatories. The Commission finds that Madison District has shown good cause to amend the procedural schedule in accordance with the motion of Madison District.

IT IS THEREFORE ORDERED that the procedural schedule, attached as Appendix A to the Order of August 20, 2002, is amended to allow the responses of Madison District to the supplemental interrogatories and requests for production of documents to be filed with the Commission and served upon all parties on or before November 1, 2002.

Done at Frankfort, Kentucky, this 31st day of October, 2002.
