RATE FILING PROCEDURE FOR SMALL UTILITIES)	

ORDER

On June 10, 2002, Fountain Run Water District (Fountain Run) filed an application for Commission approval of its proposed sewer rate. The proposed rate for sewer service would generate additional annual revenues of \$10,948, an increase of 60.12 percent above normalized operating revenues of \$18,210.

The Office of the Attorney General requested and was granted intervention in this case. Anita M. Magan also requested and was granted intervention by Order dated July 19, 2002. By Order dated July 23, 2002, the Commission issued a Staff Report that was prepared upon review of Fountain Run's test-year operations. Staff's report recommended that Fountain Run's requested increase be granted. The Order granted 10 days to file written comments regarding the Staff Report or requests for a hearing or informal conference. No such comments or requests were made.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record, are reasonable, and should be adopted as the findings of the Commission.

2. The rate in Appendix A will produce annual revenue from sewer service of \$29,158.

IT IS THEREFORE ORDERED that:

1. The findings contained in the Staff Report are adopted and incorporated by reference into this Order as if fully set out herein.

2. The rate in Appendix A is approved for service rendered by Fountain Run on and after the date of this Order.

3. Within 30 days of the date of this Order, Fountain Run shall file with the Commission its revised tariff setting out the rates approved herein.
