O R D E R

On June 13, 2002, Salt River Electric (Salt River) filed with the Commission revisions to its tariff to increase to 2 years the period of time that it can retain customer deposits. The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed revisions. Salt River did not provide sufficient information to support its revisions, nor did it request a deviation from Administrative Regulation 807 KAR 5:006, Section 7(c). Accordingly, the proposed revision shall not become effective pending final action by the Commission.

IT IS HEREBY ORDERED that this proceeding is established to investigate the reasonableness of Salt River s proposed tariff revisions.
