ORDER

On November 15, 2002, the Wood Creek Water District (Wood Creek District) submitted its application seeking Commission authority to obtain a loan from the Kentucky Rural Water Finance Corporation (KRWFC) in the amount of \$305,000, subject to an adjustment of up to 2.5 percent. Wood Creek District estimates the KRWFC loan will have a 20-year term with an effective variable interest rate of 1.88 to 4.85 percent¹ per annum. However, Wood Creek District states that the KRWFC loan may vary from the present assumptions based upon market conditions and other business judgment factors.

As part of its application, Wood Creek District moves for a deviation from the provision of Administrative Regulation 807 KAR 5:001, Section 6, requiring that, [w]hensoever in these rules it is provided that a financial exhibit shall be annexed to the application, the said exhibit shall cover operations for a twelve (12) month period, said period ending not more than ninety (90) days prior to the date the application is filed.

¹ Application, Exhibit A, Bond Debt Service Wood Creek Water District Series 2002.

However, Section 14 of that regulation permits a deviation upon the showing of good cause.

In support of its request, Wood Creek District states that there has been no change that is material in nature in the financial condition or operation of Wood Creek District since December 31, 2001. In its application, Wood Creek District uses the financial data for the 12-month period ending December 31, 2001, the most recent published financial data available. Furthermore, because of the volatility of the bond market, Wood Creek District claims that it cannot run the risk of delaying the closing of the 2001 KRWFC loan while more current financial data is compiled. Having considered Wood Creek District's requested deviation, the Commission has determined that good cause for granting the deviation has been presented, and that there is sufficient financial information in the record for it to render a decision regarding the proposed KRWFC loan.

The loan proceeds will be used to refund Wood Creek District's Waterworks Revenue Bonds of 1984 (1984 Revenue Bonds), dated June 20, 1986, bearing an interest rate of 6.125 percent per annum and an outstanding principal balance of \$300,000. Wood Creek District estimates that its proposed refinancing will result in total gross savings and net present value savings of \$96,483 and \$40,496, respectively. If the proposed KRWFC loan is increased by the maximum 2.5 percent, Wood Creek District estimates that the total gross savings and a net present value savings will decrease to \$77,160 and \$31,820, respectively.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Wood Creek District's proposal to obtain the KRWFC loan

as described herein, to refinance its 1984 Revenue Bonds is for a lawful object within its corporate purpose, is necessary, appropriate for and consistent with the proper performance of its service to the public, and should therefore be approved.

IT IS THEREFORE ORDERED that:

1. Wood Creek District's motion to deviate from Administrative Regulation 807 KAR 5:001, Section 6, is granted.

2. Wood Creek District is authorized to borrow an amount not to exceed \$312,625 from the KRWFC at an interest rate that will vary between 1.88 to 4.85 percent per annum.

3. Wood Creek District is authorized to obtain the proposed KRWFC loan only if the total gross savings and net present value savings of the refinancing of its 1984 Revenue Bonds are at a minimum of \$77,160 and \$31,820, respectively.

4. Wood Creek District shall, within 30 days of executing the agreement for the proposed KRWFC loan, file with the Commission a statement setting forth the date of the loan, the actual interest rate, and the actual principal amount.

5. The proceeds from the transaction authorized herein shall be used only for the lawful purposes specified in the application.

Nothing contained herein shall be construed as a finding of value for any purpose or as a warranty on the part of the Commonwealth of Kentucky or any agency thereof as to the securities authorized herein.

Done at Frankfort, Kentucky, this 16th day of December, 2002.
