O R D E R

On September 5, 2003, Northern Kentucky Water District (Northern Kentucky) filed with the Commission a motion for an extension of time in which to file its amended cross-connection control policy. Northern Kentucky requests that the Commission suspend the filing deadline of September 20, 2003 so that Northern Kentucky may receive comments from the Division of Water before filing its amended cross-connection control policy with the Commission.

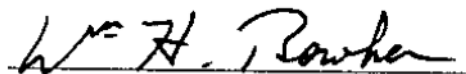

The Commission finds that good cause exists to grant the motion for an extension of time. Input from the Division of Water is essential to establishing this cross-connection control policy.

IT IS THEREFORE ORDERED that Northern Kentucky shall file its amended cross-connection control policy with the Commission no later than 60 days after it has received comments from the Division of Water.

Done at Frankfort, Kentucky, this 19th day of September, 2003.
