

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE)	
COMMISSION OF THE APPLICATION OF THE)	CASE NO.
FUEL ADJUSTMENT CLAUSE OF LOUISVILLE)	2002-00434
GAS AND ELECTRIC COMPANY FROM)	
NOVEMBER 1, 2000 TO OCTOBER 31, 2002)	

AMENDED ORDER

On December 13, 2002, the Commission issued its order opening the above-referenced proceeding. Appendix B to that Order contained a request for certain information pertinent to the proceeding, including a comparison of Louisville Gas and Electric Company's (LG&E) existing base rates and its proposed base rates reflecting the transfer of fuel costs to LG&E's base rates from its fuel adjustment clause (FAC). LG&E submitted responses to the information request on January 21, 2003. On April 23, 2003, the Commission entered an Order in this proceeding approving the transfer of additional fuel costs from LG&E's FAC to its base rates.

On July 23, 2003, LG&E filed a motion to correct the record of this case Nunc Pro Tunc. LG&E states that it inadvertently omitted special contract rates from its January 21, 2003 response to the Commission's request for information. With its motion, LG&E filed corrected responses to the request for information that include its special contract rates.

The Commission acknowledges that the omission of special contract rates from LG&E's response to the request for information resulted in the rates also being omitted from the Commission's April 23, 2003 Order. LG&E's corrected responses supplement the record and necessitate an Order approving the revised special contract rates.

IT IS THEREFORE ORDERED that:

1. The April 23, 2003 Order issued in this proceeding is amended to include the rates set forth in Appendix A of this Order as the rates to be charged for service provided to LG&E's special contract customers effective on and after May 1, 2003.

2. All other provisions of the April 23, 2003 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 13th day of August, 2003.

By the Commission

ATTEST:

Executive Director
