O R D E R

Complainant has requested that the Commission expedite its review and grant emergency relief. The major disagreement between the parties is whether Defendants must open up NPA-NXX codes belonging to Complainant to enable Complainant's customers to receive calls from and place calls to Defendants' customers in the Shepherdsville area. Whether these calls can be indirectly interconnected through a third-party tandem switch is also at issue.

IT IS THEREFORE ORDERED that:

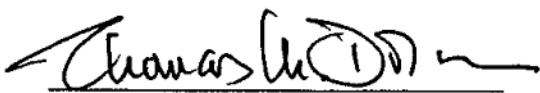

1. The parties shall appear at a public hearing on May 13, 2003 commencing at 9:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky. The hearing shall address all issues pending in this proceeding.

2. Witness lists and prefiled testimony shall be submitted no later than May 5, 2003.

Done at Frankfort, Kentucky, this 14th day of April, 2003.
