

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF ATMOS ENERGY)
CORPORATION F/K/A WESTERN) CASE NO. 2003-00083
KENTUCKY GAS COMPANY)

O R D E R

On December 21, 1999, in Case No. 1999-00070, the Commission approved rates for Western Kentucky Gas Company (Western) and provided for their further adjustment in accordance with Western's gas cost adjustment (GCA) clause. On October 1, 2002, Western changed its name to Atmos Energy Corporation (Atmos).

On March 3, 2003, Atmos filed its proposed interim GCA to be effective April 2, 2003. On March 19, 2003, Atmos revised its filing in order to reduce its Expected Gas Cost (EGC).

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Atmos's notice includes revised rates designed to pass on to its sales customers its expected change in wholesale gas costs.
2. Atmos's EGC for firm sales customers is \$7.6941 per Mcf, an increase of \$2.1974 per Mcf from the previous EGC of \$5.4967. Atmos's EGC for both high load factor (HLF) firm customers and interruptible sales customers is \$6.80 per Mcf, an increase of \$2.1974 per Mcf from the previous EGC of \$4.6026.
3. Atmos's notice sets out no current period refund factor (RF) for firm sales and HLF firm customers. The total RF of 16.69 cents per Mcf for both firm sales and

HLF firm customers and the total RF of 4.10 cents per Mcf for interruptible sales customers reflect adjustments from prior periods. Atmos's notice sets out a refund adjustment for T-2 firm transportation customers of 15.70 cents per Mcf and for T-2 interruptible transportation customers of 3.11 cents per Mcf.

4. Atmos's notice sets no correction factor (CF). Atmos's total CF of 16.86 cents per Mcf is effective from February 1, 2003 until May 1, 2003. The CF is designed to collect under-recoveries of gas cost for the 3 months ended October 31, 2002.

5. Atmos's notice sets out a Performance Based Rate Recovery Factor (PBRF) of 7.47 cents per Mcf, which is effective from February 1, 2003 until February 1, 2004.

6. Atmos's gas cost adjustments are \$7.7705 per Mcf for firm sales customers, \$6.8764 per Mcf for HLF firm customers, and \$7.0023 per Mcf for interruptible sales customers. The impact on firm sales customers is an increase of \$2.1974 per Mcf from the previous gas cost adjustment of \$5.5731. The impact on HLF firm customers is an increase of \$2.1974 per Mcf from the previous gas cost adjustment of \$4.6790, and the impact on interruptible sales customers is an increase of \$2.1974 per Mcf from the previous gas cost adjustment of \$4.8049.

7. The rates in the Appendix to this Order are fair, just and reasonable, in the public interest, and should be approved for final meter readings by Atmos on and after April 2, 2003.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are approved for final meter readings on and after April 2, 2003.

2. Within 20 days of the date of this Order, Atmos shall file with the Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 27th day of March, 2003.

By the Commission

ATTEST:

Executive Director

APPENDIX

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 2003-00083 DATED March 27, 2003
