O R D E R

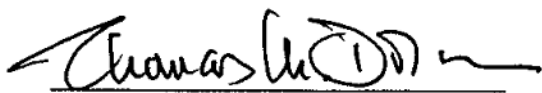

On August 13, 2003, the Commission ordered parties to submit the status of all issues pending in this complaint. Brandenburg Telecom, LLC, North Central Communications, Inc., and South Central Telecom, LLC (hereinafter CLECs) requested in their September 5, 2003 status report that the Commission retain jurisdiction of the directory listing issue and the directory assistance issue. Kentucky ALLTEL, Inc. (ALLTEL), on the other hand, indicates that it believes all issues in this proceeding have been resolved and this matter should be dismissed. The CLECs raised no specific issues regarding unresolved matters in this complaint. The CLECs do, however, indicate concern about whether ALLTEL would continue to comply with directory listing and directory assistance requirements. Accordingly, the Commission will dismiss this complaint as satisfied, but without prejudice to the CLECs to file a petition to reopen this matter should issues arise.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 6th day of November, 2003.
