O R D E R

On September 22, 2003, Northern Kentucky Water District (NKWD) applied to the Commission seeking approval of its proposed water system improvements, requesting authority to adjust its rates, and seeking authority to issue bonds.

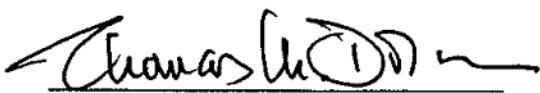

KRS 278.300(2) provides that the Commission shall have 60 days after filing to consider applications for authority to issue or assume securities or evidences of indebtedness unless it is necessary for good cause to continue the application. As the Commission has not completed its investigation of this matter, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

IT IS THEREFORE ORDERED that NKWD s application for authority to incur additional indebtedness is continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 14th day of November, 2003.
