BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF CTA ACOUSTICS, INC.	)	
TO RETAIN KENTUCKY UTILITIES	)	CASE NO. 2003-00226
COMPANY AS POWER SUPPLIER AND	)	
FOR EXPEDITED TREATMENT	)	

O R D E R

On June 10, 2003, CTA Acoustics, Inc. ( CTA Acoustics ) filed a petition, pursuant to KRS 278.016 - 278.018, requesting the Commission to modify the electric territorial boundary within the Southeast Kentucky Regional Business Park ( Business Park ) in Knox County, Kentucky. CTA Acoustics states that it is now constructing a manufacturing facility on a parcel within the Business Park and was induced to do so based upon representations that the Business Park was entirely within the territorial boundary of Kentucky Utilities Company ( KU ). However, CTA Acoustics later was advised that Cumberland Valley Electric, Inc. ( Cumberland Valley ) claims the exclusive right to provide electric service to the CTA Acoustics facility. CTA, in its petition, requests that the entire Business Park be considered a new electric-consuming facility that will be located in two adjacent certified territories and that, upon application of the criteria set forth in KRS 178.017(3), the right to serve the new facility should be granted to KU.

Based on the petition and being otherwise sufficiently advised, the Commission  
HEREBY ORDERS that:

1. Cumberland Valley, KU, and the Business Park shall file responses to the  
petition no later than June 25, 2003.

2. An informal conference shall be held on June 27, 2003 at 1:30 p.m.,  
Eastern Daylight Time, in Conference Room 1 of the Commission's office at 211 Sower  
Boulevard, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 18<sup>th</sup> day of June, 2003.
