O R D E R

A-Tech Telecom, Inc. (A-Tech) has filed a formal complaint with the Commission against Kentucky ALLTEL, Inc. On July 1, 2003, the Commission rejected A-Tech s complaint for failure to have representation by counsel of the corporation before this administrative agency. The Commission did allow A-Tech 10 days to submit a complaint that complies with 807 KAR 5:001.

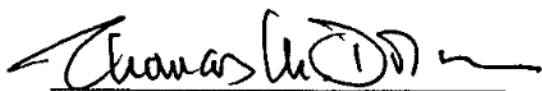

On July 8, 2003, A-Tech s president submitted a letter indicating that the Order was received only 3 days prior to the required date to obtain an attorney. The president requests the Commission to extend the date by which an attorney must be obtained for A-Tech to August 11, 2003.

The Commission, finding good cause for the extension, HEREBY ORDERS that A-Tech shall have until August 11, 2003 to submit a complaint that complies with 807 KAR 5:001. Failure to submit a complaint by that date that complies with the administrative regulation shall result in the dismissal of this case without further Order of the Commission.

Done at Frankfort, Kentucky, this 9th day of July, 2003.

By the Commission
