On June 25, 2003, Punwai and Bessie Chiu (Complainants) filed a complaint alleging that AT&T Telephone Company has incorrectly billed an international telephone call in violation of its international calling plan. They request that charges for the call be removed from their account.

Having reviewed the record and having been sufficiently advised, the Commission finds that the complaint must be dismissed on jurisdictional grounds. This Commission is empowered to regulate intrastate telecommunications; the complaint concerns billing that is within the jurisdiction of the Federal Communications Commission.

IT IS THEREFORE ORDERED that the complaint is dismissed and this case is removed from the Commission s docket.

Done at Frankfort, Kentucky, this 1st day of July, 2003.
