FIRST DATA REQUEST OF COMMISSION STAFF TO
KENTUCKY POWER COMPANY D/B/A AMERICAN ELECTRIC POWER

Kentucky Power Company d/b/a American Electric Power (Kentucky Power), pursuant to 807 KAR 5:001, is requested to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due not later than 10 days from the date of this request. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the person who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information herein has been previously provided, in the format requested herein, reference may be made to the specific location of said information in responding to this information request.

1. Refer to Exhibit 1, Advance and Refund Agreement to Provide for Extension of Service. Provide the Power Contract referenced in Section I(a).

2. Refer to paragraphs 4 through 6 of the response to Northeast Kentucky Regional Industrial Authority, Inc.'s (Northeast Kentucky) complaint. Explain how Kentucky Power determined the \$9,908.52 charge for street lights, the \$187,352 charge for the incremental cost of providing distribution service to the rear of Site B, and the \$90,892 charge for 53 street lights and provide any supporting documents supporting the reasonableness of such charges, including, but not limited to, worksheets and spreadsheets.

3. Refer to page 5, paragraph 9, of the response to Northeast Kentucky's complaint. Kentucky Power states that, by letter dated December 12, 2002, it offered to proceed with the construction or refund the overall cost associated with the uncompleted portion. What is the current status of that offer?
