

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TRANSFER OF OLDHAM WOODS)
SUBDIVISION PACKAGE TREATMENT PLANT) CASE NO.
TO THE CITY OF LAGRANGE) 2003-00288

O R D E R

On July 16, 2003, the Mayor of the city of LaGrange filed a one-page letter declaring that the LaGrange Utilities Commission desires to purchase a certain subdivision package treatment facility. On August 25, 2003, the city of LaGrange filed its motion for an enlargement of time within which to file an amendment to its letter of application in order to provide the Commission with information necessary to determine whether the proposed transfer would comply with KRS 278.020(4) and (5).

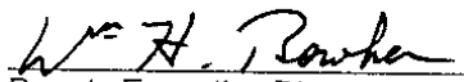

The duration of cases of this nature is limited by statutory deadline. KRS 278.020(5). At present, the record contains little information that would permit the Commission to reach an adequate decision in this matter. The proffered amendment may well provide sufficient information, including a written and executed contract between the current facility's owner and the city setting out the terms and conditions of the sale and purchase. However, the time requested to file the amendment creates a problem. Accordingly, this case should be dismissed and removed from the docket. When the city of LaGrange has completed its application, it may re-file.

The Commission, being otherwise sufficiently advised, HEREBY ORDERS that the Applicant's motion for enlargement of time is denied and that the letter of application herein is dismissed and removed from the Commission's docket, without prejudice.

Done at Frankfort, Kentucky, this 15th day of September, 2003.
