O R D E R

On October 9, 2003, Joe Dooley filed a motion for full intervention in this proceeding. 807 KAR 5:001, Section 3(8), states that a person seeking full intervention must show to the Commission that the person seeking intervention has a special interest which is not otherwise adequately represented in the proceeding or is likely to present issues that will assist the Commission without unduly complicating the proceedings. Mr. Dooley states that he was a party in a prior proceeding involving Doe Valley Utilities, Inc. (Doe Valley). That case is now closed.¹

Based on the motion, and being otherwise sufficiently advised, the Commission finds that Mr. Dooley has not demonstrated a special interest in this case. The fact that Mr. Dooley has been a party in a previous case does not in itself demonstrate that he has a special interest that justifies his individual participation as an intervenor. Therefore, Mr. Dooley s request to intervene should be denied. He will, however, be entitled to appear

at any public hearing and offer public comment that will be included as part of the record in this case.

The Commission, being sufficiently advised, HEREBY ORDERS that the motion of Mr. Dooley for full intervention is denied.

Done at Frankfort, Kentucky, this 17th day of October, 2003.
