CUSTOMERS)

O R D E R

On October 10, 2003, Louisville Gas and Electric Company and Kentucky Utilities Company filed a new Non-Conforming Load Service tariff that contains a proposed effective date of November 1, 2003. Pursuant to KRS 278.180, tariff revisions may only become effective upon 30 days notice to the Commission. Consequently, the earliest the tariff proposal could become effective is November 9, 2003.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed tariff and that such proceedings cannot be completed prior to the proposed effective date.

IT IS THEREFORE ORDERED that:

1. The proposed tariff is hereby suspended for 5 months from November 9, 2003, up to and including April 8, 2004.
2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 31st day of October, 2003.
