

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF GAS COST ADJUSTMENT	)	
FILING OF WESTERN LEWIS-	)	CASE NO. 2003-00421
RECTORVILLE WATER AND GAS DISTRICT	)	

ORDER

On May 12, 1993, in Case No. 1992-00331, the Commission approved rates for Western Lewis-Rectorville Water and Gas District ( Western Lewis ) and provided for their further adjustment in accordance with Western Lewis s gas cost adjustment ( GCA ) clause.

On November 12, 2003, Western Lewis filed its proposed GCA to be effective December 1, 2003. Western Lewis requests a waiver of the 30-day notice period because it did not receive its expected gas rates from its supplier until after November 1, 2003. As KRS 278.180 permits the Commission to shorten the required notice period for good cause, the Commission finds the request should be granted.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western Lewis s notice includes revised rates designed to pass on to its customers its expected change in wholesale gas costs.
2. Western Lewis s proposed expected gas cost ( EGC ) is \$5.8126 per Mcf, which is 2.81 cents per Mcf more than the prior EGC of \$5.7845.
3. Western Lewis s notice sets out no refund adjustment.
4. Western Lewis s notice sets out a current quarter actual adjustment ( AA ) of 7.22 cents per Mcf. Western Lewis did not adjust for line loss for July and September

2003. Correcting for this produces a current quarter AA of 2.22 cents per Mcf. Western Lewis's total AA is (50.75) cents per Mcf, which is a decrease of 1.07 cent per Mcf from the previous total AA.

5. Western Lewis's notice sets out a current quarter balance adjustment ( BA ) of (78.84) cents per Mcf. Western Lewis incorrectly calculated the dollar amount of the balance adjustment. Correcting for this produces a current quarter BA of 4.86 cents per Mcf. Western Lewis's total BA is .6 cent per Mcf, which is an increase of 3.92 cents per Mcf from the previous total BA.

6. Western Lewis's gas cost recovery rate ( GCR ) is \$5.3111 per Mcf, which is 5.66 cents per Mcf more than the previous rate of \$5.2545.

7. The rates in the Appendix to this Order are fair, just, and reasonable, and should be approved for billing for service rendered by Western Lewis on and after December 1, 2003.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are approved for billing for service rendered on and after December 1, 2003.

2. Within 20 days of the date of this Order, Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 21<sup>st</sup> day of November, 2003.

By the Commission

ATTEST:

  
Executive Director

Case No. 2003-00421
