Pursuant to KRS 74.020(7), this Commission is required to “encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner’s understanding of his or her duties.” The conference for which approval is sought includes instruction regarding, inter alia, source protection, planning and budgeting issues, equipment maintenance issues, and effectiveness issues. IT IS THEREFORE ORDERED that:

1. Each of KRWA’s courses of instruction is hereby approved for a maximum of 2.0 credit hours.

2. KRWA shall retain a record of all persons attending each approved course of instruction.

3. Within 14 days of the date of this Order, KRWA shall file with the Commission a sworn statement attesting that each approved course of instruction was performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.
