

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN APPLICATION OF THE UNION LIGHT, HEAT)	
AND POWER COMPANY FOR APPROVAL TO)	CASE NO.
EXTEND THE AVAILABILITY OF ITS RATE RTP,)	2004-00210
REAL TIME PRICING PROGRAM)	

O R D E R

On June 2, 2004, The Union Light, Heat and Power Company ("ULH&P") filed a request to extend its pilot real time pricing program, Rate RTP, for six months, through December 31, 2004. Rate RTP has been offered as a pilot program since 1999 and is scheduled to terminate June 30, 2004. ULH&P's request indicates that it is evaluating the cost-effectiveness of Rate RTP and considering future modifications or termination of the program. It states that an extension through December 31, 2004 will provide it time to analyze various future program options and prepare any necessary regulatory filing, as well as provide the Commission time to review such a filing, should it propose to modify Rate RTP. The requested extension will not change any of the existing rates, terms or conditions of Rate RTP.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that ULH&P's requested extension of the Rate RTP pilot for six months, through December 31, 2004, is reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. ULH&P's requested extension of Rate RTP for six months, through December 31, 2004, is approved.

2. Within 20 days of the date of this Order, ULH&P shall file with the Commission its revised Rate RTP tariff. The tariff shall show the date of issue and that it was issued by authority of this Order.

Done at Frankfort, Kentucky, this 14th day of June, 2004.
