RE: IN THE MATTER OF:
KANAWHA HALL
VS.

2004-00307

EQUITABLE PRODUCTION COMPANY

The Complaint of Kanawha Hall respectfully shows:

- (a) Kanawha Hall
6945 Highway 160 S.
Litt Carr, KY 41834
- (b) Equitable Production Company
1710 Pennsylvania Avenue
Charleston, WV 25302
- (c) Being Discriminated against due to unfair marketing practices:
 - (a) Neighbors using my land and only paying .35 per thousand cubic feet for gas while I was paying up to \$6.39 per thousand cubic feet for gas.
 - (b) I have had service since 1950 and I gave them permission to use my land in the late 60's at that point they still paid only .35 per thousand cubic feet for gas, owning no property that the gas line, equipment or property crossed, while I did.
 - (c) There are numerous other cases of the .35 per thousand while the customer owns no property that the gas line, equipment or property crosses.

I feel this is grossly unfair marketing practices and I have been unduly discriminated against.

To Whom it May Concern:

The gas company went along with the Adams faith statement not only once, but three times over a period of 30 some years. The gas company was told, but would not listen to us throughout the entire years. Adams had no gas line on his property at this location.

If the Adams heirs had the authority to tell the gas company to sell gas off of my property to the Combs for .35 a thousand, why should I pay \$6.39 a thousand per cubic feet for gas.

I feel it is your duty and responsibility to look into this matter and see that justice is done.

Enclosed is a copy of the deed where the two gas meters set, showing that I, Kanawha Hall, is the owner of the property.

You, Public Service, should request the gas company to show the deed the Adams had which proved to show they had no deed or signature. It was a sham & fraud between Adams and the gas company to sell cheap gas off of my property all these years.

Back in the Nineties the Adams heirs sold his property to a Combs. The Combs went to Pikeville and the Pikeville office gave Combs a contract for .35, still on my property.

Approximately, two years later the Combs sold to Carl D. Mullins. He went to Pikeville, the Pikeville office gave Carl D. Mullins a contract on my property for .35 per thousand cubic feet for gas. In the meantime, the gas company claimed that the Adams owned the land that the gas line when over. Adams still didn't own one inch where the gas line is at this location. I, Kanawha Hall, owned this land years before Adams moved here.

I called Equitable office in West Virginia 18 or 20 times (April 12th-13th-14th), the company did not answer the phone. I also wrote a letter, (which I am enclosing a copy of), explaining the situation. I did get in contact with Deborah J. Kimble, staff attorney, ph# 304-348-3800. I was told by Ms. Kimble, that if what we said was true, we would be due a refund.

On April 22nd, I called Pikeville office, I ask to speak to Lloyd Hall. He did not return my call. Again on April 27th, I called the Pikeville office, requesting to speak to Lloyd Hall, and again he did not return my call.

I don't want cheap gas now, because I'm off the gas line, and will never be back on it again. I feel I should be treated fair and justice and should be refunded to the .35 a thousand over the years that Equitable is responsible.

Sincerely,

Kanawha Hall

Dear Sir:

This letter is Concerning two gas meters. My meter (no. 0067-00195-01) and my neighbor's. In the 1960's the meter reader, Fred Venters, allowed James "Jim" Adams to move his gas meter when the Carrs Fork Lake was built, so he put his meter on my property, paying 35¢ a thousand without a deed or signature.

Now, Jim is deceased - his house has been sold twice first to a Combs - paying 35¢.

Last to Carl D Mullins - deceased - paying 35¢
Carl D Mullins left everything to a girl friend,
Aleen McCool. She pays 35¢.

The meter is still on my property. My meter has been on the same spot of ground at least 46 or 48 years. I pay the high price.

I called Equitable office in West Virginia 18 or 20 times (Apr. 12th 13th + 14th) would not answer the telephone. My gas bill:

Feb. 02/25/04 - usage 17 - \$76.40 - I paid

Mar. 03/25/04 - usage 44 - 289.73

The bill did not show estimated or Actual reading.

I can show a deed that I own the property.

Can my neighbor show a Deed or signature? No.
