

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF FULLTIME CONTRACTING, INC.)
TO OPERATE A FARM TAP SYSTEM)

CASE NO.
2004-00349

O R D E R

On July 8, 2004, Fulltime Contracting, Inc. ("Fulltime") filed a proposed tariff setting forth its rates, rules and regulations to operate as a farm tap system. The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed tariff. As Fulltime did not state a date upon which the proposed tariff would become effective, the proposed tariff shall not become effective pending final action by the Commission or compliance with KRS 278.180.

IT IS HEREBY ORDERED that this proceeding be established to investigate the reasonableness of Fulltime's tariff proposal.

Done at Frankfort, Kentucky, this 3rd day of September, 2004.

By the Commission

GAS SERVICE CONTRACT

FULLTIME CONTRACTING, INC. to provide natural gas to the undersigned customer according to the following terms as stipulated by the KENTUCKY PUBLIC SERVICE COMMISSION REGULATION 278.485:

- (1) The gas service shall be furnished at the rates and minimum monthly charges determined by the Public Service Commission.
- (2) The Applicant for such gas service shall construct or cause to be constructed, and shall maintain and keep in good repair, the service lines, and shall provide and install or cause to be installed, and keep in good repair, the necessary automatic gas regulators, and shall pay the entire cost thereof. The Company, at its own expense, shall provide, install and maintain the necessary gas meters.
- (3) The construction of each service line, the installation, type and number of automatic gas and regulators and gas meter or meters and the connection thereof with the gas producing well or pipeline shall be under the supervision of the Public Service Commission or an agent thereof, and shall conform to such standards of safety, location and convenience as may be prescribed by said commission.
- (4) Neither the gas producer nor the gas pipeline company shall be responsible for maintaining any fixed or specified gas pressure. Neither the gas producer nor the gas pipeline company shall be liable for any accident or accidental injuries or damages which may result from any defect or failure of any automatic gas regulator or any leakage or other defect or failure of any service line installed or constructed by the applicant.
- (5) Nothing in this section shall be construed as requiring any gas pipeline company to serve any such owner of property or applicant from any line or lines that have been held to be subject to federal jurisdiction by order of the federal energy regulatory commission or a court of competent jurisdiction. The provisions of this section shall apply only to producing gas wells and to gas pipelines commonly known as gathering lines.
- (6) Nothing in this section shall be construed to restrict the right of any gas pipeline company to abandon any gas well or any gathering pipeline, or any part thereof, and to remove any such abandoned pipeline or lines. If service to any customer is terminated because of lack of gas for a period of six (6) months in a pipeline or line which served him, the company shall remove a portion of the main line so as to render it inoperable.
- (7) Subject to the rules and regulations of the Public Service Commission, any service may be disconnected and discontinued by the company for failure of the customer to pay any bills as and when due and payable.
