O R D E R

On September 13, 2004, Shadow Wood Subdivision Sewer Service ("Shadow Sewer") and Shadow Wood Waste Environmental, LLC ("Shadow Waste") filed a joint application requesting Commission approval of the transfer of assets, including all wastewater facilities, from Shadow Sewer to Shadow Waste.

The proposed transfer is pursuant to KRS 278.020(4) and (5), which require that the Commission find that Shadow Waste has the financial, technical, and managerial abilities to provide reasonable utility service in accordance with the law and in the public interest. KRS 278.020(5) requires the Commission to reach a final decision on the proposed transfer within 60 days of the filing of the application unless it is necessary, for good cause shown, to continue the application period. If good cause for a continuance exists, the Commission may extend its review for an additional 60 days.

The Commission has reviewed the record herein and finds that additional time is needed for Commission Staff to conduct an informal conference and to issue data requests. Therefore, pursuant to KRS 278.020(5), the Commission finds that good

cause exists to extend the review period an additional 60 days to and including January 11, 2005.

IT IS THEREFORE ORDERED that:

1. The statutory 60-day review period ending on November 12, 2004 is extended an additional 60 days to and including January 11, 2005.

2. An informal conference shall be conducted on November 23, 2004 at 10:00 a.m., Eastern Standard Time, in Conference Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 12<sup>th</sup> day of November, 2004.
