

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF CAWOOD WATER	)	
DISTRICT TO INCREASE CERTAIN	)	CASE NO. 2004-00408
NON-RECURRING CHARGES	)	

O R D E R

On October 7, 2004, Cawood Water District ("Cawood") applied to the Commission for authority to revise certain non-recurring charges. Cawood's application did not meet the minimum filing requirements, but those deficiencies were cured and the application deemed filed as of November 4, 2004.

Cawood's November 4, 2004 filing contained a tariff with an effective date of December 1, 2004. Pursuant to KRS 278.180(1), no change can be made in any rate by a utility except upon 30 days' notice to the Commission. Therefore, the earliest date on which Cawood's proposed rates can lawfully become effective is December 4, 2004.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.
2. The charges and policies set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after December 4, 2004.

2. Within 20 days of the date of this Order, Cawood shall file with the Commission a revised tariff sheet showing an effective date of December 4, 2004.

Done at Frankfort, Kentucky, this 24<sup>th</sup> day of November, 2004.
