2 The sworn statement of GEORGE SIEMENS,
3 taken in the offices of Goldberg & Simpson,

5 Louisville, Kentucky, on Thursday, the 28th day of
6 July, 2005, at approximately 9:20 a.m.

7
8 EXAMINATION

9
10 BY MR. GOLDBERG:

11 Q. Okay. Would you state your name,
12 please.

13 A. George Siemens.

14 Q. All right, sir. Mr. Siemens, we're
15 acquainted with each other, but I am Jonathan
16 Goldberg. I have been hired by the Public Service
17 Commission to do an investigation with regard to two
18 rate cases: One filed by LG&E and one filed by KU
19 with regard to ex parte communication; and a more
20 subjective standard called collusion; and a third
21 standard called inappropriate behavior, also
22 subjective.

23 What we're doing here today and what I
24 have been engaged in is taking statements from people
25 who participated in one way or another in these two

1 rate cases. While it will feel a little bit like a
2 deposition, it frankly is an information-gathering
3 process so that I can take all the information from
4 all the persons and make a report to the commission
5 over the events related to the rate cases. So that's
6 what we're doing.

7 If I state a question you don't
8 understand, don't hesitate to tell me you don't
9 understand it because what we want to do is get what
10 information you have in statement form.

11 When we conclude, Ms. Coulter will get
12 it all typed up, sent out to you. I would ask you to
13 sign it and send it back to me, okay?

14 A. All right.

15 Q. Could I have your business address?

16 A. 220 West Main, Louisville, Kentucky.

17 Q. Okay. And is that a corporate office?

18 A. Yes, it is.

19 Q. And what is that the corporate office
20 of?

21 A. LG&E Energy, LLC.

22 Q. All right, sir. And have you worked
23 for LG&E Energy, LLC, or its predecessors for a
24 period of time?

25 A. Yes, I have.

1 Q. Okay. And how long have you worked --

2 A. Since 1982.

3 Q. All right, sir. Although I don't want
4 you to do it in great detail, I would like for you to
5 tell me what you have done for LG&E since 1982.

6 A. I have worked in a number of different
7 capacities there, primarily in the public relations,
8 government, community relations area, sometimes
9 representing the company on matters in front of the
10 Kentucky General Assembly, in front of the United
11 States Congress, in front of various agencies of
12 state and federal government, as well as interacting
13 with local elected and appointed officials in
14 handling issues that affected the company throughout
15 Kentucky.

16 Q. Okay. Do you have a license to
17 practice law?

18 A. Yes, I do.

19 Q. Okay. And how long have you been a
20 lawyer?

21 A. Since 1975.

22 Q. All right, sir. I want to take you up
23 to a point in time to the year -- let's call it 2002.
24 And if you could examine your job at LG&E for the
25 year 2002 to the present time, could you tell me what

1 you did in 2002 and what you were doing now.

2 A. Basically the same thing. It didn't
3 change much. I would represent the company in
4 Frankfort and Washington and various urban areas and
5 counties that we provide service in. Would handle
6 legislation, regulation that was of interest to the
7 company.

8 Q. All right, sir. With regard to the
9 Public Service Commission, again using this same time
10 frame, what were your duties and are your duties?

11 A. My job there was to interact with the
12 Public Service Commission on issues such as
13 regulations that would affect the utility,
14 legislation that was pending before the Kentucky
15 General Assembly or legislation that would be pending
16 in Washington to apprise the commissioners and their
17 staff of the company's position on it and the effect
18 it would have upon the company and its rate payors.

19 Q. Is it a fair statement to say that
20 your function is mostly legislative in nature when it
21 comes to dealing with the Public Service Commission?

22 A. Legislative and regulatory. The
23 regulations would be used -- would be promulgated to
24 implement whatever legislation would pass, so the two
25 sometimes blended together.

1 Q. Okay. With regard to matters such as
2 complaint cases, rate cases and items such as that,
3 matters in which the formal hearing process before
4 the commissioners would take place, did you have any
5 participation in that?

6 A. I would participate in both processes
7 for the purpose of, one, understanding what the
8 company's position was in these matters, two, in
9 order to be able to communicate effectively to the
10 constituencies I dealt with which were customers,
11 local elected, appointed officials and state elected,
12 appointed officials.

13 Q. All right, sir. Was it part of your
14 duties to participate in the cases themselves in
15 terms of the presentation?

16 A. I never testified in a rate case.

17 Q. Do I take it you never prepared a rate
18 case or a complaint case for presentation to the
19 public service commissioners themselves?

20 A. I never prepared one. I would assist
21 people that were preparing. I might be in a room
22 when they were putting components of it together,
23 might read it, but I never prepared or actually wrote
24 a rate case.

25 Q. All right, sir. With regard to the

1 rate cases, LG&E and KU -- I'll give you the
2 numbers -- it's 00433 and 00434. Are you familiar
3 with them?

4 A. If those were the last two rate cases.
5 I don't know the numbers.

6 Q. Yes, sir, those are the last two. Do
7 you have a recollection of when those -- when the
8 notice to file a rate was first filed?

9 A. I think sometime in '03, late '03.

10 Q. All right, sir. Do you have a
11 recollection of when the petition was actually filed?

12 A. I would have to check a calendar. I
13 would guess '03, '04, somewhere in that range.
14 Again, late '03 or early '04.

15 Q. All right, sir. Now, with regard to
16 the rate cases themselves -- and let's -- let me give
17 you the -- the date that -- the notice would have
18 been filed in the fall of 2003, and the actual
19 petition would have been filed in late December of
20 2003. Do you have a recollection of ever having
21 discussed the two rate cases with any employees of
22 the Public Service Commission?

23 A. No, I do not.

24 Q. Okay. And do you have any
25 recollection of having discussed the two rate cases

1 during that same period of time with any members of
2 the commission?

3 A. No, I do not.

4 Q. Okay. Now, so that we're specific
5 with regard to that, let me give you the persons who
6 would have been on the commission and then the
7 employees also, a list of them. First, did you ever
8 discuss the two rate cases with Marty Huelsman?

9 A. No, I did not.

10 Q. You are familiar with Marty Huelsman.

11 A. Yes, I am.

12 Q. Okay. And I take it he is someone you
13 had done business with prior to the year 2003?

14 A. I had known Marty in his capacity as
15 an executive director of the PSC and then again as
16 chairman.

17 Q. All right, sir. And it's your -- is
18 it your testimony or is it your statement, rather,
19 that you did not discuss the two rate cases with
20 Marty Huelsman?

21 A. No, I did not.

22 Q. Okay. Gary Gillis. Are you familiar
23 with Gary Gillis?

24 A. Yes, I am.

25 Q. Okay. And did you know him in his

1 capacity as a member of the Public Service
2 Commission?

3 A. Yes, I did.

4 Q. Did you ever have any opportunity to
5 discuss the two rate cases?

6 A. I did not discuss the rate cases with
7 Gary Gillis.

8 Q. All right, sir. Are you familiar with
9 Bob Spurlin?

10 A. Yes, I am.

11 Q. Did you know him in his capacity as a
12 member of the Public Service Commission?

13 A. Yes, I did.

14 Q. Did you ever have any opportunity to
15 discuss the two rate cases with him?

16 A. I did not discuss the rate case with
17 Mr. Spurlin.

18 Q. Okay. Chairman Mark David Goss, the
19 present chairman, have you ever had a discussion with
20 him about the two rate cases?

21 A. No, I have not.

22 Q. Ms. Ellen Williams, have you ever had
23 a discussion with her about the two rate cases?

24 A. No, I have not.

25 Q. Are you familiar with a gentleman by

1 the name of Tom Dorman?

2 A. Yes, I am.

3 Q. Okay. Tell me how you know Tom
4 Dorman.

5 A. I met Mr. Dorman in the late '70s when
6 he was a member of the legislative research
7 commission, and have known him since then through a
8 number of different capacities, a number of different
9 jobs that he had during that period.

10 Q. All right, sir. He at one time was a
11 member of the Public Service Commission, was he not?

12 A. Yes, he was.

13 Q. And I trust you had an opportunity to
14 work with him at that period of time?

15 A. Yes, I did.

16 Q. Okay. And did you have an opportunity
17 to work with him when he became executive director of
18 the Public Service Commission?

19 A. Yes, I did.

20 Q. What was your memory of how long he'd
21 been the executive director of the Public Service
22 Commission prior to 2003, if you know?

23 A. It would be a guess. I would think a
24 couple of years.

25 Q. All right, sir.

1 A. Tom had a tendency to change positions
2 about every two or three years.

3 Q. Okay. But you do recall his
4 activities as executive director.

5 A. Yes, mm-hmm.

6 Q. Okay. And so that you don't have to
7 guess, he worked in that capacity through the spring
8 of 2004.

9 A. Mm-hmm.

10 Q. All right. So do I take it it would
11 be a period of some two to three years there --

12 A. Yes.

13 Q. -- where he was executive director?

14 A. That would be correct.

15 Q. All right, sir. In your capacity,
16 working for LG&E, did you have occasion to work with
17 Mr. Dorman in his capacity as executive director of
18 the Public Service Commission?

19 A. Yes, I did.

20 Q. Okay. Tell me what kinds of issues
21 you would work on there.

22 A. Tom was, for lack of a better word,
23 the point person for the PSC on legislative matters
24 and on legislative relations. So during that
25 particular time period, there were a number of pieces

1 of legislation that the utility industry and the
2 Public Service Commission were jointly involved in,
3 and worked with Tom, other industry representatives,
4 a number of people quite closely on all of this
5 legislation.

6 In addition to the legislation, there
7 were numerous operational issues that came up during
8 that time, most notably the -- I think the storms in
9 Louisville that resulted in widespread outage, the
10 ice storm in Lexington that had a widespread outage I
11 believe in the winter of '03, if I'm not mistaken.
12 So those would be times and things that I would work
13 closely with Tom on, as well as activities that were
14 occurring at the federal level with the Federal
15 Energy Act, with MISO, with regional transmission
16 organization, things that would affect Kentucky and
17 its operation of the electric grid within the state.

18 Q. Okay. In addition to working with
19 Mr. Dorman on those activities, you were also a
20 social friend of his, were you not?

21 A. Yes.

22 Q. Okay. Did you and Mr. Dorman share an
23 active interest in Kentucky politics?

24 A. Yes, we did. In fact, that's how I
25 first met Tom, when I was a legislator in 1975.

1 Q. Okay. And in fact, your father before
2 you knew Mr. Dorman, did he not?

3 A. Yes, he did.

4 Q. All right, sir. So in addition to
5 having a work relationship with him, is it fair to
6 say you had a social relationship with him?

7 A. Yes, sir.

8 Q. Okay. And how often would you say you
9 would talk to him either -- on a weekly basis either
10 social or work activity?

11 A. It would depend a lot on his schedule,
12 my schedule. Tom's mother, prior to her death, lived
13 in Louisville. So he would come down here. We'd get
14 together on the phone. He lived in Frankfort. We'd
15 catch one another up there either on the phone or
16 perhaps after work. It would vary, depending upon --
17 during a legislative session, quite frequently. It
18 wasn't unusual to have five, six telephone calls a
19 day when we were working on pieces of legislation.
20 There were generally six to eight committees we
21 monitored. The PSC monitored the same six to eight
22 committees, so there were numerous occasions where we
23 would collaborate on various issues.

24 Q. Okay. Did you have recognition that
25 part of his portfolio of duties was in the

1 legislative function as executive director?

2 A. Yes. He was one of our prime
3 contacts, if not the prime contact with the PSC on
4 legislative issues.

5 Q. Okay. Now, again using the time frame
6 of January 1st, 2003 to the end of the year 2003, did
7 you have opportunity to talk to Mr. Dorman about the
8 two rate cases? This would have been prior to the
9 actual filing or right at that point in time.

10 A. Is the question did I have opportunity
11 to talk or did I talk?

12 Q. Well, good point. Did you talk to him
13 about the two rate cases?

14 A. No.

15 Q. Okay. I take it during the year 2003
16 you were working with him on legislative items. Am I
17 correct?

18 A. You mean legislative activity? I
19 think there were some severe storms that came through
20 the service territory at that time, and the Federal
21 Energy Act was working its way through Congress. In
22 fact, the bill is likely to pass out this week, so
23 that was a hot area at that time.

24 Q. All right, sir. In addition to
25 Mr. Dorman, did you have opportunity to communicate

1 on legislative issues with Mr. Huelsman?

2 A. Yes.

3 Q. Okay. At that point in time
4 Mr. Huelsman was chairman of the Public Service
5 Commission?

6 A. Yes, he was.

7 Q. And can you tell me why you would
8 communicate on legislative issues with Chairman
9 Huelsman?

10 A. Chairman Huelsman was very active in
11 the legislative arena. In fact, most of the members
12 of the PSC were at that time. It was not unusual for
13 them to be in the cafeteria in Frankfort for
14 breakfast in the morning, for lunch when the
15 legislature was in session. There were a number of
16 bills that they had an interest in. During that time
17 period it would have been transmission siting. It
18 would have been native load protection. It would
19 have been net metering or a number of issues.
20 Generally the PSC had a legislative package, didn't
21 every year, but most years. We had a legislative
22 package. They would give us their package. We would
23 give them our package. We would exchange bill drafts
24 and we would comment on them. Then we would
25 collaborate to try to pass a law that was

1 representative of the need that needed to be
2 addressed.

3 Q. All right, sir. And did you have
4 occasion to meet with Mr. Huelsman on legislative
5 issues during the year 2003?

6 A. Yes, I did.

7 Q. Okay. Would you describe your
8 relationship with him as like Mr. Dorman, both work
9 and social?

10 A. Yes, it was. I met Mr. Huelsman when
11 he was executive director of the PSC prior to him
12 becoming a commissioner.

13 Q. All right, sir. And fair to say you
14 had a social relationship with him?

15 A. Yes, mm-hmm.

16 Q. Okay. Did you have occasion to meet
17 with him outside of the office from time to time, be
18 it at lunch, dinner or whatever?

19 A. Yes, I did.

20 Q. Okay. Now, with regard to the two
21 rate cases, do you have a recollection of ever having
22 discussed the two rate cases with Mr. Huelsman?

23 A. I did not discuss the two rate cases
24 with Mr. Huelsman.

25 Q. All right, sir. Now, let me ask you

1 the same set of questions with regard to Mr. Gillis.
2 Was Mr. Gillis a social friend?

3 A. I've known Gary in various capacities
4 through his tenure in state government, the first
5 time when he was the commissioner of revenue. So I
6 would say yes, we were social friends as well as
7 business acquaintances.

8 Q. All right, sir. And I take it you
9 never discussed the two rate cases with Mr. Gillis at
10 any time.

11 A. No, I did not.

12 Q. Now, I'm familiar with an office that
13 LG&E has at I want to say 718 Shelby Street. Is that
14 the correct address?

15 A. Yes, it is.

16 Q. All right. Tell me the purpose of
17 that office.

18 A. That office is our Frankfort office.
19 It operates year-round, but is more active during the
20 legislative session and during the interim session
21 when there are committee meetings. We will routinely
22 hold meetings up there with representatives from
23 other utilities, with representatives from other
24 industry groups. We'll use it as a base when we have
25 environmental meetings or other group meetings, not

1 only for our own utility but for other utilities. It
2 is in a building that is shared with -- or actually
3 six offices in the building. We have one. Cinergy
4 has one. American Electric Power has one. Kentucky
5 Rural Water has the fourth, and there are two in the
6 basement. It was a contract -- two contract
7 lobbyists who rent those out.

8 Q. All right. And from time to time in
9 the year 2003 would you entertain after hours at
10 718 Shelby Street?

11 A. Yes, we would.

12 Q. All right. I'm familiar with the term
13 "Steak Night."

14 A. Yes.

15 Q. Does that term have meaning to you?

16 A. We called it Steak Night. What it
17 was, the utilities in the building would generally
18 try to have one or two get-togethers during the time
19 the legislature was in session. And we would invite
20 people, stop by, that had been working together in
21 Frankfort over the last 30, 40, 60 days. It was sort
22 of a catch-as-catch-can. There might be anywhere
23 from 20 to 40 people that would show up. We'd grill
24 out some steaks, thaw some vegetables and bake
25 potatoes and basically have an evening of, I guess,

1 camaraderie and talk about the events that were going
2 on in Frankfort at that time.

3 Q. Do you have a recollection of Public
4 Service Commission personnel being present during
5 Steak Night festivities?

6 A. I think Mr. Huelsman might have
7 stopped by once. Mr. Dorman might have stopped by
8 once or twice.

9 Q. Okay. And do I take it, consistent
10 with your prior statement, at the times that
11 Mr. Huelsman or Mr. Dorman stopped by for Steak Night
12 there was no discussion of the two rate cases?

13 A. No, there was not.

14 Q. Do you have a recollection of
15 participating in the actual rate cases themselves,
16 Mr. Siemens?

17 A. What do you mean by participating?
18 Testifying?

19 Q. No, sir. You've told me you didn't
20 testify. Let me give you a little bit of background
21 a minute. I'm familiar with the fact that after the
22 application was made that there was no hearing
23 process at the Public Service Commission amongst all
24 the parties until April 28th, 2004, which would have
25 been the first informal conference or convening of

1 the parties, all right? Let me first ask you, did
2 you participate on April the 28th, 2004 at the Public
3 Service Commission?

4 A. Not to my recollection, no.

5 Q. Okay. And let me further state to you
6 that after April 28th, 2004, there was a meeting at
7 the attorney general's office that occurred on April
8 the 30th, 2004. Did you participate in that?

9 A. No, I did not.

10 Q. Okay. May the 3rd, 2004, there was a
11 prehearing conference at the Public Service
12 Commission. Did you participate in that?

13 A. No, I don't think I did.

14 Q. Okay. May the 4th, 5th and 6th -- and
15 actually May the 3rd also, there were settlement
16 discussions. And also on May 4th, 5th and 6th, there
17 was testimony given. Did you come to the Public
18 Service Commission and participate in any of those
19 events?

20 A. I was present at some of the hearings,
21 yes.

22 Q. Okay. Do you know what days you were
23 present?

24 A. I think I was there the 4th, 5th, 6th.
25 I don't believe I was there the 7th, if that was a

1 Friday.

2 Q. All right, sir. 4th, 5th and 6th are
3 Tuesday, Wednesday and Thursday.

4 A. Yes, I would have been there those
5 days.

6 Q. Okay. Tell me what you recall of your
7 participation on those three days.

8 A. I sat in the main hearing room. I
9 listened to the testimony. Basically just watched
10 the events that were going on, talked to some of the
11 people that were there. My job, as I said, was to
12 make sure that I kept myself current with what was
13 going on in order that I was able to communicate with
14 people that would ask me questions about the rate
15 case. In this case it would be legislators. It
16 would be local elected officials. It would be
17 community leaders. That was pretty much what I did.

18 Q. All right, sir. Do I take it you did
19 not participate in the actual negotiation?

20 A. No, I did not.

21 Q. Did you have a -- did you have a
22 recognition of the fact that negotiations were also
23 going on at the same time that -- or the same days
24 that hearing testimony was being given?

25 A. I knew the rate case was going on and

1 people were meeting in various rooms. I assumed they
2 were talking about the rate case.

3 Q. Okay. Now, when -- so that I'm clear
4 of what your participation was, at those times when
5 actual testimony was being given, do I take it you
6 were in the room?

7 A. I was in the hearing room, yes.

8 Q. Hearing room. Do I further take it
9 that when there were negotiations on one, you were
10 not present?

11 A. No, I was not present.

12 Q. Okay. So that the sum and substance
13 of your knowledge came from the hearing room.

14 A. Yes.

15 Q. Okay. Now, on those days that you
16 were there, do you remember at any time communicating
17 with members of the staff of the Public Service
18 Commission, the employees?

19 A. I talked with people outside the
20 hearing room. When they had breaks, people would
21 mill around. I called Mr. Dorman on I believe two
22 occasions, three perhaps. The reason for those
23 calls, we were getting ready, my wife and I, to
24 purchase a house, which we closed on Friday. And the
25 hearing --

1 Q. The 7th, May the 7th?

2 A. May the 7th. The hearing was
3 scheduled to run that week. I had called Tom -- and
4 I don't recollect ever actually catching him on the
5 phone, but I did see him later on during the process
6 of the hearing -- to see from -- you know, from his
7 take on it, did it look like the process was going to
8 be sufficiently complete by Friday that I could go
9 ahead and close on this house. My superiors wanted
10 me to be there at the hearings during that week, and
11 I was, but I wanted to go ahead and close on the
12 house because we had lined up the -- I guess the
13 banker, the seller, the lawyer and plus my wife
14 wanted to close on it. And I made some telephone
15 calls to him to see what he knew about -- was the
16 procedure schedule still on schedule, did it look
17 like it would spill over into the next week or spill
18 over into Friday.

19 Q. All right, sir. I want to talk to you
20 about the phone calls in a minute, but what I was
21 really looking for is while you were participating by
22 listening to the testimony, on the breaks did you
23 have any opportunity to talk to Public Service
24 Commission employees?

25 A. No.

1 Q. Okay. All right. And again, we'll
2 come back to your conversations with Mr. Dorman. Let
3 me give you the names of the staff personnel that
4 participated in both the hearings and the
5 negotiations, and let me ask you if you know these
6 folks. Do you know Isaac Scott?

7 A. Yes, I do.

8 Q. Okay. And on any of the hearing dates
9 did you have an opportunity to discuss the two rate
10 cases with him?

11 A. No, I did not.

12 Q. Did you ever discuss the two rate
13 cases with Mr. Scott?

14 A. No.

15 Q. Okay. Mr. Jeff Shaw, do you know him?

16 A. Yes.

17 Q. Okay. And on any of the hearing dates
18 did you have any discussions with Mr. Shaw about the
19 two rate cases?

20 A. No, I did not.

21 Q. Okay. At any time, have you had any
22 discussion with Mr. Shaw about the two rate cases?

23 A. No.

24 Q. Okay. Do you know Mr. Faud Sharifi?

25 A. I mean, I know who he is, but do I

1 know him? Not really, no.

2 Q. Okay. On any of the hearing dates did
3 you have any opportunity to discuss the cases, the
4 two cases with Mr. Sharifi?

5 A. No, I did not.

6 Q. Have you ever had any conversations
7 with Mr. Sharifi about the two rate cases?

8 A. No, I did not.

9 Q. You have not, sir?

10 A. No, sir.

11 Q. Do you know Ms. Andrea Edwards?

12 A. No.

13 Q. Okay. Do you know Mr. Jeff Blakley?

14 A. No.

15 Q. Okay. Do you know Bob Amato?

16 A. Yes.

17 Q. Okay. And what was your understanding
18 of what Bob Amato's capacity was at the Public
19 Service Commission during this period of time when
20 the hearings were ongoing?

21 A. I'm not sure of his title. I always
22 thought he was chief engineer.

23 Q. All right, sir. That was his job.

24 A. Oh, okay.

25 Q. Did you have any conversations with

1 Mr. Amato about the rate cases on those hearing dates
2 which you attended?

3 A. No.

4 Q. Have you ever had any conversations
5 with Mr. Amato about the two rate cases?

6 A. No.

7 Q. All right, sir. How did you keep
8 yourself informed, Mr. Siemens, on -- on the process
9 of negotiation in the two rate cases?

10 A. I listened to the testimony that was
11 being given in the hearing room. As far as the exact
12 process of negotiation, I didn't.

13 Q. All right, sir. Are you communicating
14 that you were basically not informed as to the
15 process of negotiation as it was occurring in real
16 time between the parties?

17 A. No, I was not.

18 Q. Okay. Do you recall when you first
19 became aware that there was a settlement of any of
20 the issues?

21 A. I think generally when -- when the
22 attorney general made an appearance, and I think that
23 was on -- I guess Wednesday.

24 Q. All right, sir. And did you have an
25 understanding that there had been some agreement on

1 various issues prior to the time that he appeared on
2 Wednesday, the 6th?

3 A. I had heard that there was an
4 agreement on some issues. Which issues --

5 Q. The 5th, I'm sorry.

6 A. Was that Wednesday or --

7 Q. Wednesday would have been the 5th.

8 A. All right.

9 Q. I'm sorry. I interrupted you.

10 A. I was aware that there were generally
11 some agreement between the parties. I didn't know
12 the terms or conditions of the agreement. And then I
13 remember the attorney general coming in, and
14 evidently there was no longer any agreement.

15 Q. Okay. Do you remember observing the
16 attorney general when he came in?

17 A. Mm-hmm.

18 Q. Did you talk with the attorney
19 general?

20 A. Said hi to him.

21 Q. Other than saying hi, did you have any
22 conversation?

23 A. That was it.

24 Q. Okay. And do I take it it was your
25 understanding there was agreement in total or

1 agreement on some issues prior to the time he came?

2 A. I was generally aware that there was
3 some sort of agreement. The terms and conditions, I
4 didn't know.

5 Q. All right, sir. And you believe that
6 was on Wednesday, the day he came.

7 A. Yes.

8 Q. All right. Now, did you have
9 knowledge that he was on his way, coming to the
10 Public Service Commission, or did he just simply show
11 up? What was your recollection of the chain of
12 events?

13 A. I think they had adjourned or recessed
14 the hearing in anticipation of the attorney general
15 coming. I happened to be standing out in front of
16 the PSC when he walked in.

17 Q. All right, sir. So there was some
18 foreknowledge that he was on his way in, coming.

19 A. Evidently. I assume that was the
20 reason for the recess.

21 Q. All right. And do you have a sense of
22 what time of day it actually was?

23 A. I really can't recall.

24 Q. Okay. Do you think it was toward the
25 middle of the day?

1 A. I just -- I honestly can't recall.

2 Q. Let me see if I can refresh your
3 memory a little bit. Had testimony been taken on
4 that day that the attorney general actually came?

5 A. There might have been. If -- if I had
6 to guess at a time, I'd say either late morning or
7 early afternoon, somewhere in that vicinity.

8 Q. I don't want you to guess, but I think
9 we can place you in time. Is it a fair statement to
10 say you would not have been there if it was just a
11 negotiation session, that you only came for the
12 actual hearings themselves?

13 A. Yes. That was the only reason I was
14 there was for the hearing.

15 Q. And then on some of these days, there
16 was hearing and then there was negotiation.

17 A. Yes.

18 Q. Okay. So is it fair to say if you
19 were there, there must have been either hearing
20 earlier in time or there was going to be a hearing
21 shortly after --

22 A. Yes. There was a public event.
23 Otherwise, I wouldn't have been there.

24 Q. All right. Fair enough. Now, on that
25 particular day, do you recall having a telephone

1 conversation with Mr. Dorman?

2 A. I don't recall.

3 Q. All right. Do you have a recollection
4 of having discussed with him the fact that either --
5 the attorney general was on his way?

6 A. I think everybody on that particular
7 day was discussing that event simply because none of
8 us had ever recalled seeing the attorney general make
9 an appearance at a case before.

10 Q. All right, sir. Although you were
11 aware of the fact that his staff was present, were
12 you not?

13 A. Yes, his staff was there.

14 Q. Okay. And I take it that in rate
15 cases it's the general rule of thumb that the
16 attorney general is one of the interveners?

17 A. His office is one of the interveners,
18 yes.

19 Q. Did you know the two individuals who
20 were assigned to the LG&E and KU rate cases?

21 A. I have met them before, yes.

22 Q. Ms. Blackford, do you know her?

23 A. I do know her. I don't know her well.

24 Q. Okay. All right, sir. After the
25 attorney general came, did you continue -- that would

1 have been the 5th -- did you continue to participate
2 in the rate cases?

3 A. Yes.

4 Q. Okay. May the 6th would have been the
5 next day. Do you believe you were there for at least
6 the taking of testimony?

7 A. Yes, I believe I was.

8 Q. Okay. Do I take it from your prior
9 statement you do not believe you were there May the
10 7th?

11 A. I had a closing May the 7th, and I
12 don't believe I was there May the 7th. I was closing
13 on the house.

14 Q. All right, sir. May the 12th the
15 parties were again back in front of the commission.
16 There was a little testimony taken and then some
17 stipulations and settlement understandings
18 communicated to the commission. Were you there and
19 present on May the 12th?

20 A. I was at the PSC. I was not at that
21 hearing. There was another meeting on May the 12th
22 that I attended.

23 Q. All right, sir. Were you present on
24 May the 6th when Mr. Raff addressed the commissioners
25 and informed him that the attorney general had made a

1 radio address where he had stated that there was, in
2 his opinion, collusion in the process before the
3 Public Service Commission as to rate cases?

4 A. Yes, I was present there.

5 Q. Okay. Tell me what you recall of the
6 chain of events.

7 A. I remember in the hearing Mr. Raff
8 made that statement. I remember Chairman Goss asking
9 each one of the interveners, each one of the
10 participants in the rate case, if they had any
11 knowledge of collusion, if they had been involved in
12 collusion. I remember their responses. And then the
13 hearing, I think, continued.

14 Q. All right, sir. Do you recall
15 Mr. Riggs also making a statement requesting that if
16 anybody believed that the stipulation and agreement
17 had been entered into or that the process had been
18 unfair, that they should come forward at that point
19 in time?

20 A. Yes, I do recall that.

21 Q. Okay. Did anybody come forward?

22 A. No one came forward.

23 Q. All right, sir. Do I take it, then,
24 that you did not actually participate in any of the
25 settlement discussions and that any information that

1 you garnered was from the public record?

2 A. Yes.

3 Q. Okay. Let me talk to you about some
4 phone records, and I'm going to show these to you and
5 represent to you that these are the phone records of
6 one Mr. Thomas Dorman. I want to ask you about some
7 of these entries and see if you can recall them.
8 One, have you ever seen this document before?

9 A. Yes, I have.

10 Q. All right. In addition -- let me ask
11 you a couple of general questions so that I get a
12 sense of this. In addition to the matters of the
13 rate cases, there were other matters before the
14 Public Service Commission, not rate cases, not
15 complaint cases, at that point in time that the
16 LG&E/KU was interested in. Am I correct?

17 A. Yes, there were.

18 Q. Okay. Sitting here today and
19 reflecting on it -- I know you've spent time and --
20 this whole chain of events in May of 2004, can you
21 tell me what those other issues were that were on
22 your plate and LG&E's plate as it dealt with the
23 Public Service Commission?

24 A. At that time, I guess the primary
25 issue would have been the Snyder transmission line.

1 It had been an ongoing issue where we were trying to
2 locate a transmission line along the Snyder Freeway.
3 There had been several complaints filed with the PSC,
4 or at least concerns filed with the PSC. I don't
5 think it had been elevated to complaint status at
6 that point. Property owners wanted a meeting in
7 Frankfort. The PSC had asked several questions about
8 the line. We had provided them with some
9 information. We were continuing to supply them with
10 maps, records, drawings of the line, and that was
11 going on contemporaneously with the rate hearing.

12 Q. All right, sir. And who at the Public
13 Service Commission was in charge of that project?

14 A. Beth O'Donnell, who was Mr. Dorman's
15 successor, was in one of the meetings. There were
16 other staff people from the PSC. There were people
17 from LG&E that were involved in transmission, real
18 estate right-of-way, corporate communications there.

19 Q. Was Mr. Dorman involved?

20 A. Mr. Dorman was at the meeting. I
21 don't know if he was at the entire meeting on the
22 12th, but he was at a substantial part of it. They
23 were transitioning the role of executive director at
24 that time.

25 Q. All right, sir. When do you first

1 remember the Snyder transmission issue being on your
2 agenda of discussion items with the Public Service
3 Commission?

4 A. That would have been -- the entire
5 transmission issue, of which the Snyder was a small
6 subset, became an issue back in the 2004 session of
7 the General Assembly. The Snyder transmission line
8 itself didn't become an issue until -- probably
9 starting in April, May, June of 2004.

10 Q. All right, sir. And when you say
11 "Snyder," are you talking about the Gene Snyder --

12 A. Yes, sir.

13 Q. -- and a transmission line for a
14 particular private development, as I understand it?

15 A. No. It was for system reliability.
16 You might have recollected an article in the Courier
17 recently where there was a picture of a map in an
18 area where service might be in jeopardy if certain
19 contingencies occurred this summer. High heat,
20 failure of a line could result in system reliability.
21 We were building the Snyder transmission line in
22 order to bolster reliability in the northeastern
23 quadrant because of the amount of growth that had
24 occurred out in the Brownsboro Road, 42, 22, Oldham
25 County area.

1 Q. Okay. Did Mr. Dorman participate in
2 April with regard to the Snyder transmission line?

3 A. He had been briefed in April on the
4 line, as had other staff members of the PSC. This
5 was a major transmission line. They're always
6 contentious affairs.

7 Q. All right, sir. With regard to the
8 meeting of May the 12th, did Mr. Dorman participate
9 in that?

10 A. I believe he was there, yes, sir.

11 Q. All right. Were there any meetings in
12 May prior to the meeting of May the 12th?

13 MR. SNYDER: About the Snyder?

14 MR. GOLDBERG: Yes, sir, thank you.

15 A. I don't think there were any meetings
16 at the PSC prior to May the 12th. There was a
17 meeting after May 12th also, but I don't think any
18 prior.

19 Q. All right, sir. Now let's take a look
20 at our telephone records if we can. Let us look
21 at -- the first one I want to look at is item 67.
22 You'll find that at the bottom of the first page.
23 And that is referencing May the 4th. It appears to
24 be a phone call to you, 553-0598?

25 A. Yes.

1 Q. Is that you, sir?

2 A. That would be my cell phone.

3 Q. All right. And my knowledge of this
4 is Mr. Dorman has previously identified many of the
5 entries on here, so that is your cell phone number,
6 is it not?

7 A. Yes, it is.

8 Q. Okay. And the time is 4:27 p.m., and
9 that's a 5-minute phone conversation.

10 A. Yes.

11 Q. I take it May the 4th was one of the
12 days you would have been at the Public Service
13 Commission involved in the hearing process. Am I
14 correct?

15 A. Yes, it was.

16 Q. Okay. And that call appears at
17 4:27 p.m. I'm representing to you that there were
18 people who were engaged in the negotiating process
19 over the rate cases on the premises at the Public
20 Service Commission as of that point in time of the
21 day. With that as a predicate, do you have any
22 knowledge of what you and Mr. Dorman were talking
23 about?

24 A. Not offhand. I can tell you that it
25 was not the rate case because we never talked about

1 the rate case, but it could have been any one of a
2 number of different things. I just don't have any
3 recollection.

4 Q. Okay. May the 4th would have been
5 Tuesday. I take it May the 5th is the day, as I
6 recall from your previous statement, that the
7 attorney general actually came. So this would have
8 been prior to the attorney general actually coming to
9 the premises?

10 A. I believe so.

11 Q. All right, sir. Do I take it that you
12 did not know the attorney general was going to come
13 to the premises on May the 5th as of May the 4th?

14 A. I don't recall.

15 Q. All right, sir. You don't know?
16 Mr. Dorman has stated that from time to time, in
17 addition to other social things that you would
18 communicate about, that you talked about politics.
19 Do you have a recollection of that?

20 A. Talked about it incessantly.

21 Q. All right, sir. With that as a small
22 refresher of your recollection, could you have been
23 talking about politics on May the 4th for 5 minutes?

24 A. We could very likely have. This was a
25 time when Tom was transitioning out of his current

1 role. His service in government was coming to an
2 end. This was a new administration, a new -- a new
3 set of dynamics, so quite possibly we could have been
4 talking about that.

5 Q. Okay. Were you assisting him in some
6 capacity in at least thinking about the process of
7 obtaining another job?

8 A. No, not really. I mean, he was 57,
9 58 years old. He had told me he was going to be
10 retiring and take a few trips. If he had asked me,
11 I'd be happy to use my name as a reference or
12 anything like that. I've known him for better than a
13 quarter of a century.

14 Q. All right, sir. Let's turn the page.
15 I'm interested in item No. 70. Do you see item 70 --

16 A. Yes, sir.

17 Q. -- May the 5th?

18 That is to, again, 553-0598, your cell
19 phone. It's at 12:30 p.m. and it is a 2-minute call.
20 Do you see that?

21 A. Yes, sir.

22 Q. Okay. Now, do you have a recollection
23 of what that call was about?

24 MR. SNYDER: Would the word "incoming"
25 indicate that it was George calling Tom?

1 MR. GOLDBERG: Yes, thank you.

2 A. My best recollection is -- as I
3 mentioned earlier, my wife and I were trying to close
4 on a house that we had purchased. And I was trying
5 to get a feel from Tom if, in his mind, this was
6 still on schedule, the hearing process was still on
7 schedule. I was asking our people the same thing.
8 If necessary, I would have delayed the closing, but I
9 would have preferred not to. I was trying to call
10 him, my best recollection, to seek his input on that.
11 I don't know that I actually talked with him on that
12 occasion just because of the number of minutes on the
13 call.

14 Q. I.e., 2 minutes?

15 A. Yes. It's quite likely it could have
16 gone to an answering machine or whatnot.

17 Q. And why would you have called him to
18 ascertain that information?

19 A. I just thought that since he was the
20 executive director, he would be in a pretty good
21 position to let me know from his perspective if
22 things were moving on track, if he thought it would
23 finish in time.

24 Q. Okay. Did you have an understanding
25 that he was involved in the process somehow or

1 another in his capacity as executive director,
2 process of negotiation and hearing?

3 A. No. I just thought from a procedural
4 standpoint.

5 Q. All right, sir. I then see an
6 incoming call which would be item 73. And that's
7 incoming from you, is it not, at 4:27 p.m.?

8 A. Yes.

9 Q. Okay. And that one was for 1 minute.
10 Does that indicate to you whether or not you actually
11 talked to him or possibly voice-mail?

12 A. I don't recollect talking to him on
13 either one of those calls. I thought it was probably
14 just me not being able to run him down. A minute is
15 not a long time.

16 Q. In your --

17 A. I don't think I made a connection.

18 Q. In your personal experience with
19 Mr. Dorman, is that a -- would that be an extremely
20 short conversation?

21 A. It's hard to do much of anything in a
22 minute by the time you call and people route you to
23 voice-mail or the signal fails. A number of things
24 happen.

25 Q. Other than the short period of time,

1 is there anything else that leads you to believe that
2 you did not contact him in either call?

3 A. I don't recollect talking to him on
4 either occasion.

5 Q. Okay. Fair enough. Now, let me turn
6 your attention to item 74, which is the next entry.
7 That's 45 minutes later, and that's for one minute.
8 Same situation there?

9 A. I think -- is that an incoming call
10 from me or is that him trying to call me?

11 Q. That would appear to be him trying to
12 call you.

13 A. I don't think he ever got me either.

14 Q. All right, sir. You don't remember
15 talking to him --

16 A. No, sir.

17 Q. -- at 5:15 p.m. on May the 6th?

18 A. No.

19 Q. Okay. Let's turn now, if we can, to
20 May the 11th, which will be entry 97 on the next
21 page. That would also appear to be a call from
22 him -- from you to him. Do you see that, 5:02 p.m.?

23 MR. SNYDER: 97?

24 MR. GOLDBERG: Yes, sir.

25 A. Yes.

1 MR. SNYDER: That would be a call from
2 Tom to George.

3 MR. GOLDBERG: I'm sorry, thank you.
4 Two minutes. Do you have a
5 recollection of him having called you on that day,
6 May the 11th?

7 A. I'm sure he did, and that would more
8 than likely be -- my recollection is we had a hearing
9 or a meeting the next day on the Snyder transmission
10 line up at the PSC, and we could very well have been
11 talking about that.

12 MR. SNYDER: Jon, may I suggest you
13 look at 97 and 98 together.

14 MR. GOLDBERG: I'm getting ready to
15 ask him about 98.

16 Ninety-eight is a 5-minute call two
17 minutes later. And would that indicate to you that
18 you actually made contact in the second call of May
19 the 11th and spoke for 5 minutes?

20 A. Well, this is Mr. Dorman calling me.

21 Q. Yes, sir.

22 A. If I had to guess, I'd say it would
23 probably signal failure on the first one and he
24 called back or something came up and he called back
25 2 minutes later.

1 Q. All right, sir. And what do you
2 recall of the content of the conversation, if
3 anything?

4 A. We would more than likely have been
5 chatting about the Snyder Freeway -- or Snyder
6 transmission line. There was a meeting the next day
7 at the PSC where we were bringing up staff people
8 from LG&E, maps, data, and wanted to make sure that
9 we were bringing the right things and we were being
10 responsive.

11 Q. And are you certain you did not talk
12 about the two rate cases?

13 A. Absolutely not. We might have chatted
14 about politics, might have chatted about the AG's
15 appearance, but we wouldn't have talked about the
16 rate cases.

17 Q. All right, sir. And then finally May
18 the 12th, entry 100. Do you see that?

19 A. Yes.

20 Q. Okay. That is a 6-minute phone call,
21 9:24 a.m. Do you have a recollection about that
22 particular phone call?

23 A. That would have been me calling up --
24 it's incoming to my line. That would have, again,
25 been the Snyder Freeway. We had the hearing at the

1 PSC starting at about 8:00 that morning. And I'm
2 assuming that is Tom calling to check the status. He
3 was in and out of that meeting. That's the only
4 reason that I could think that we'd be talking then.

5 Q. That was the day the parties were
6 together in the two rate cases. Why do you believe
7 you were talking about the Snyder transmission as
8 opposed to the -- potentially the rate cases?

9 A. Because I had five people from LG&E.
10 I had two property owners along the Gene Snyder and
11 three or four people from the PSC in one of the
12 meeting rooms over there. And we had maps spread out
13 on the table, and we were showing them the location
14 of the line. And we were responding to questions
15 from at least three affected property owners.

16 Q. And why would you have been talking to
17 Mr. Dorman about those issues?

18 A. That was part of -- at that point,
19 still part of his job.

20 Q. And did you see him as one of your
21 contact people on the Snyder transmission line
22 issues?

23 A. Yes.

24 Q. All right, sir. Is that matter still
25 ongoing as we sit here today?

1 A. It's now in circuit court.

2 Q. All right, sir. So that I am clear,
3 it is your testimony that other than the possibility
4 that you talked about the attorney general's
5 appearance, you believe that none of these entries
6 that we've discussed were conversations about the two
7 rate-making cases themselves or the content therein.

8 A. The rate cases were not discussed by
9 me or by Mr. Dorman in any of these conversations.

10 Q. All right, sir. Are you familiar with
11 an organization by the name of NARUC?

12 MR. SNYDER: Don't you want to cover
13 101?

14 MR. GOLDBERG: I'm sorry.

15 MR. SNYDER: Two calls on May 12. 100
16 is incoming, meaning George called Tom, and 101
17 indicates Tom called George at 12:20, shortly
18 afternoon that same day.

19 MR. GOLDBERG: Let's take a look at
20 that one. Thank you.

21 MR. SNYDER: You're welcome.

22 Q. One minute. Do you have any
23 recollection of any of the events of that phone call?

24 A. No, I don't -- I don't recollect any
25 conversation occurring then. That might have been a

1 voice-mail or a voice message.

2 Q. All right, sir. Was there any
3 unfinished business as it related to the Snyder
4 transmission line for that particular day which you
5 may have been calling him about?

6 A. It could very well have been because
7 normally when we have one of the meetings, I will
8 call up Mr. Dorman, or whoever is responsible at the
9 PSC for that particular issue, and ask them what
10 information do you want us to bring? They'll tell
11 us, we'll try to bring that information. At the
12 meeting, we present the information. I'll ask them,
13 "Do you have everything that you need?" Yes or no.

14 Then generally about two or three
15 hours later, I'll follow up with another telephone
16 call. "Have you had a chance to review the
17 information? Do you have any questions? Do you need
18 anything additional? Did we present it in a manner
19 in which you could understand it?" There's a lot of
20 follow-up on these things, and I'm very religious
21 about following up.

22 Q. Is it your belief that the 1-minute
23 phone call, 101, was indeed a call or a message left
24 about the Snyder transmission line issues?

25 A. It could have been that or it just

1 could have been a phone call that didn't go through.

2 Q. Okay. So that I am thorough here, do
3 you see any other phone calls either initiated by
4 Mr. Dorman and/or yourself on this exhibit?

5 MR. SNYDER: What time frame are you
6 looking at, Mr. Goldberg?

7 MR. GOLDBERG: I'm just looking at the
8 exhibit as a whole.

9 MR. SNYDER: You might look at May 21
10 and May 24.

11 MR. GOLDBERG: Thank you.

12 MR. SNYDER: You're welcome. Item 29
13 on May 21, and item 38 on May 24.

14 Q. All right. May 21 is a 3-minute --

15 MR. SNYDER: Both indicating they're
16 calls by Dorman to George.

17 MR. GOLDBERG: All right, sir.

18 Mr. Siemens, do you have any
19 information that would be helpful to us, first
20 dealing with May 21? Can you tell us what that phone
21 call was about?

22 A. If I had a calendar, it might help a
23 little bit. But there were two meetings on the
24 Snyder. One was on the 12th, and the other was -- my
25 recollection it was on the 24th. So my guess is we

1 were talking about -- if the 21st is a Friday and the
2 24th is a Monday, there's -- I'm trying to get my
3 dates straight here. That would have been a call
4 making sure that we had the proper stuff, proper
5 information to bring up for the hearing which I
6 believe was on the 24th, if my memory serves me
7 right. Not a hearing. I went up there with Laura
8 Douglas on Monday.

9 Q. Monday before the 21st or Monday
10 before the date of your meeting?

11 A. I think Monday is the 24th.

12 Q. All right.

13 A. And I think the 21st would have been
14 maybe a Friday. My recollection is that would be
15 dealing with the Snyder Freeway. I believe we were
16 late for a 3:00 meeting, and that was one of the
17 reasons I --

18 Q. On the 21st?

19 A. Yeah.

20 Q. All right, sir.

21 A. I know on the 24th -- and again, if I
22 had a calendar, I'd know for sure.

23 MR. SNYDER: You should also look at
24 item 41.

25 MR. GOLDBERG: Well, let's back up. I

1 thought we were looking at item 29.

2 MR. SNYDER: Right. I just meant in
3 terms of what he's testifying about the 21st and
4 24th, I overlooked the fact that there's a second
5 call on the 24th, item No. 41.

6 MR. GOLDBERG: All right. We'll get
7 to that one in a moment.

8 MR. SNYDER: Just trying to flag it
9 for you, Jon.

10 MR. GOLDBERG: I appreciate that.

11 Let's deal back with the one at
12 11:50 a.m. So that I'm clear on this, Mr. Siemens,
13 are you saying there was a meeting on the 21st?

14 A. No. There was a meeting on the 24th,
15 the best of my recollection.

16 Q. All right. We'll get to that in a
17 second. Tell me what you believe the May 21st entry,
18 No. 29, that conversation was about.

19 A. That would have been about -- my best
20 recollection is the Snyder Freeway. I was bringing
21 Laura Douglas up with some additional information on
22 the 24th. And we were probably checking in to see if
23 we needed to bring anything more than what -- or I
24 was telling them what I was going to bring up, what
25 information, if that was sufficient or they needed

1 anything else.

2 Q. All right, sir. And what leads you to
3 believe that was your conversation with him?

4 A. Those were the issues that were --
5 that I was working on at the time. It was a fairly
6 contentious transmission line. The -- they weren't
7 interveners at this point, but the property owners
8 were adamant in their opposition to the line. And
9 the company needed to have the line put in in order
10 to guarantee reliability in the northeast quadrant.

11 Q. All right, sir. Let's now look at
12 entry 38, which is a 2-minute call at 3:10 p.m.
13 That's on May 24th. That would have been the date of
14 your meeting?

15 A. Yes.

16 MR. SNYDER: That's a call from Dorman
17 to Siemens.

18 Q. All right, sir.

19 A. My best recollection is that I think
20 he called me because we were running a little bit
21 late. I didn't quite get there on time.

22 Q. What do you recall was the date -- or
23 the time of your appointment?

24 A. About 3:00.

25 Q. Okay. This phone entry is as of

1 3:10 p.m., so is that what is refreshing your
2 memory --

3 A. Mm-hmm.

4 Q. -- that you were late for your
5 meeting?

6 A. Yeah.

7 Q. Okay. And then item 41, a 6-minute
8 call, 5:37 p.m. on May 24th. Do you have a
9 recollection of that phone conversation?

10 MR. SNYDER: That's from Siemens to
11 Dorman.

12 A. Yes. That's me checking on the
13 outcome of the meeting. "Were we responsive? Did we
14 give you what you needed? Do you have any additional
15 questions?" This was a very large line and one of
16 the first large lines we built in this part of the
17 county, so it occasioned a lot of attention.

18 Q. All right, sir. Anything else in this
19 exhibit, either a call to or a call from Mr. Dorman?

20 A. I don't see anything else here.
21 Did you?

22 MR. SNYDER: No. Me neither.

23 Q. I'm not aware of any.

24 Mr. Snyder, did you see any?

25 MR. SNYDER: No, I did not see any.

1 Q. All right. Now, I was asking you
2 about an organization by the name of NARUC. Are you
3 familiar with that?

4 A. Yes, sir.

5 Q. What is NARUC?

6 A. National Association of Regulatory
7 Utility Commissioners. It is a group of utility or
8 PSC commissioners nationwide.

9 Q. Okay. And it's my understanding that
10 they meet on a fairly regular basis?

11 A. Yes, they do.

12 Q. Okay. And they meet at different
13 places around the country?

14 A. Yes.

15 Q. Okay. And are members of the
16 regulated community, i.e., utilities, et cetera, also
17 participants?

18 A. Yes. The regulating community,
19 electric, telephone, water, gas, all come to the
20 meetings, or at least have the ability to come to the
21 meetings.

22 Q. All right. And do you, George
23 Siemens, go to the meetings on a fairly regular
24 basis?

25 A. I go to some of them, yes.

1 Q. All right. Let me turn your attention
2 to one that would have been in this general time
3 frame, and ask you if you attended. The one in
4 Denver, August 4th, 2003?

5 A. I did not go to that one.

6 Q. Okay. Did persons from LG&E go?

7 A. I believe they did.

8 Q. All right. And do you know whether
9 members from the Public Service Commission went?

10 A. I don't know.

11 Q. Let's turn our attention to
12 March 18th, 2004, the NARUC convention in
13 Washington, D.C. Did you attend that?

14 A. I believe I did, but I would have to
15 check my calendar. I'm not for sure if it was --
16 that would have been during the legislative session.

17 Q. Do you have a recollection of being in
18 Washington, D.C., for that convention or you don't?

19 A. Short of looking at a calendar, I
20 could have been there, could not have been there.
21 But if the legislature was in session, it's likely
22 that I was not there.

23 Q. And thus I take it you have no
24 recollection of the events at the NARUC convention in
25 March of 2004?

1 A. Not offhand, no.

2 Q. Let me ask you about some social
3 contact with Marty Huelsman. I take it, especially
4 during legislative session, it was not unusual for
5 you to have lunch and/or dinner with Mr. Huelsman.
6 Am I correct?

7 A. Yes.

8 Q. Okay. And was the purpose of these
9 lunches and/or dinners business, social or both?

10 A. A good bit of social. Some business.
11 We would discuss events that were pending in
12 Frankfort at that time in front of the General
13 Assembly, or we would talk about issues that were
14 pending in -- in front of Congress.

15 Q. All right, sir. Is it your testimony,
16 consistent with your prior statement, that at none of
17 these social occasions, be it dinner, lunch or Shelby
18 Street, with Mr. Huelsman that you talked about the
19 rate cases?

20 A. No, we did not discuss the rate cases.

21 Q. Okay. And let me ask you that same
22 question with regard to Mr. Dorman. At lunches and
23 dinners and social exchanges at -- on Shelby Street,
24 did you ever have occasion to talk about the rate
25 cases?

1 A. We never talked -- discussed the rate
2 cases.

3 MR. GOLDBERG: That's all I have,
4 Mr. Siemens.

5 THE WITNESS: Thank you, sir.

6 MR. GOLDBERG: Thank you much. I want
7 to make the phone record an exhibit.
