AND BELL SOUTH TELECOMMUNICATIONS, INC.

On June 8, 2004, AT&T Communications of the South Central States, LLC and TCG Ohio ("AT&T") filed for arbitration with BellSouth Telecommunications, Inc. ("BellSouth"). On October 4, 2004, AT&T and BellSouth filed a joint request that they be allowed to continue their negotiations. They requested that the Commission postpone the filing of further material or the scheduling of any public hearing. The parties are continuing to negotiate. However, no filing has been received since October 2004.

Commission Staff requests that parties file, within 20 days of the date of this notice, a detailed report of the status of their negotiations. The report should include a discussion of the status of each unresolved issue. Also, the parties should notify Commission Staff of their plans to conclude this proceeding, including a proposed procedural schedule.
