ORDER

Northern Kentucky Water District (“NKWD”) has applied to the Commission for authority to adjust its rates, to construct water facilities, and to issue bonds to finance the proposed construction. In its filing, NKWD requested permission to deviate from certain filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, which requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application.

In support of its request for permission to deviate from this requirement, NKWD states that its most recent financial exhibits are for the 12 months ended December 31, 2004 and that those exhibits are contained in its 2004 Annual Report on file with the Commission. NKWD further states that no extraordinary circumstances have occurred that would distort the year-end statement.

Administrative Regulation 807 KAR 5:001, Section 14, provides the Commission with the authority to permit deviations from its regulations for good cause shown. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information contained in NKWD’s application is sufficient for our review of the application.

Finding that good cause exists, the Commission HEREBY ORDERS that NKWD's request for permission to deviate from the filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, is granted.

Done at Frankfort, Kentucky, this 13th day of June, 2005.
