ORDER

On April 29, 2005, Atmos Energy Corporation ("Atmos") filed a report on its natural gas hedging activities for the 2004-2005 heating season and a request to continue its hedging program for the 2005-2006 heating season. On June 3, 2005, the Attorney General, by and through his Office of Rate Intervention ("AG"), filed its request for intervention. In order to allow the AG to participate in this proceeding, the Commission finds that additional inquiry into Atmos's hedging proposal is necessary.

2. Service of any document or pleading shall be made in accordance with Administrative Regulation 807 KAR 5:001, Section 3(7), and Kentucky Civil Rule 5.02.
