

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF THE FAILURE)	
OF CERTAIN UTILITIES TO FILE)	ADMINISTRATIVE
GROSS OPERATING REPORTS)	CASE NO. 2006-00492
REQUIRED PURSUANT TO KRS 278.140)	

O R D E R

The Commission hereby serves notice upon utilities whose names and last-known addresses appear on Appendix A hereto, that they shall, within 30 days of the date of this Order, show cause why their authority to operate in this Commonwealth should not be revoked for failure to comply with KRS 278.140.

KRS 278.140 requires each utility to file, on or before March 31 of each year, a report of its gross earnings or receipts derived from intrastate business for the preceding calendar year and, if applicable, an annual report. Based upon these reports, the Commission certifies to the Revenue Cabinet and the Finance and Administration Cabinet the intrastate revenue so collected. KRS 278.150. The Revenue Cabinet then, for the purpose of maintaining the Commission, assesses each utility in proportion to its receipts for intrastate business for the preceding calendar year. KRS 278.130. KRS 278.990 provides for penalties for failure to file the reports required by KRS 278.140.

The utilities listed in Appendix A to this Order have either failed to submit their reports of gross earnings, their annual reports, or both for 2005. Accordingly, it appears that they are subject to the penalties enumerated in KRS 278.990.

Based on the foregoing, the Commission concludes that the public interest would be served best by sending this Order, by certified mail, to the regulatory contact person submitted pursuant to 807 KAR 5:003 by each of the utilities listed in Appendix A, putting each utility on notice that it must show cause to this Commission within 30 days from the date of this Order why it should not be subject to the penalties prescribed in KRS 278.990 for failure to comply with the statutes cited herein. In the absence of such showing and without further Commission Order, each utility's authorization to provide service in Kentucky shall be revoked, its tariff shall be removed from the Commission's files, and its name shall be stricken from the Commission's list of active utilities. At that time any customer it currently serves shall be notified by the utility that the utility no longer provides service in Kentucky and that the customer must obtain service from another utility.

Should any utility whose tariff is stricken under the terms of this Order later wish to file a tariff to provide service in this Commonwealth, the penalties for its failure to comply with KRS 278.140, together with accrued interest at the statutory rate of 6 percent per annum, shall be paid prior to the reinstatement of service.

IT IS THEREFORE ORDERED that:

1. Within 30 days of the date of this Order, each utility listed in Appendix A, attached hereto and incorporated herein, shall show cause why it should not be assessed penalties for failure to file a gross operating report for 2005.

2. In the absence of such showing, and without further Order, each utility's authorization to provide service shall be revoked, its tariff shall be removed from the Commission's files, and its name shall be stricken from the Commission's list of active utilities.

Done at Frankfort, Kentucky, this 4th day of December, 2006.

By the Commission

Executive Director
