IMPLEMENTATION OF THE PROPOSED ) CASE NO. 2006-00554  
REVISIONS OF TARIFF SCHEDULE 92A – )  
DISTRIBUTION LINE EXTENSIONS TO MOBILE )  
HOMES )

ORDER

On November 9, 2006, Kenergy Corp. (“Kenergy”) submitted to the Commission a proposed revision to its Schedule 92 – Distribution Line Extensions to Mobile Homes. Kenergy states that the proposed revision is beneficial to its customers because it increases the length of a line extension that shall be made without charge and clarifies refund eligibility.

Kenergy requests that the proposed revision be permitted to become effective upon 20 days notice to the Commission. KRS 278.180(1) provides that no change shall be made by any utility in any rate except upon thirty (30) days’ notice to the commission . . . [h]owever the commission may, in its discretion, based upon a showing of good cause in any case, shorten the notice period from thirty (30) days to a period of not less than twenty (20) days.” In its submission, Kenergy does not state any grounds for reducing the notice period to 20 days.

Having reviewed the proposed revision and being otherwise sufficiently advised, the Commission finds that the proposed tariff revision should be accepted and permitted

to become effective on December 9, 2006, but that Kenergy has failed to demonstrate good cause to reduce the required notice period.

IT IS THEREFORE ORDERED that:

1. Kenergy's request to reduce the required notice period to 20 days is denied.

2. Kenergy's proposed revision to tariff Schedule 92 – Distribution Line Extensions to Mobile Homes is accepted and effective as of December 9, 2006.

3. Within 20 days of the date of this Order, Kenergy shall file a revised tariff page stating the proper effective date.

Done at Frankfort, Kentucky, this 20<sup>th</sup> day of December, 2006.
