On November 9, 2007, Dialog Telecommunications, Inc. (“Dialog”) filed with the Commission a Motion for Reconsideration and Emergency Relief (“Motion for Reconsideration”) pertaining to the Commission’s October 26, 2007 Order (“October 26 Order”) in this matter. BellSouth Telecommunications, Inc. filed a response to the motion.

The Commission has reviewed the Motion for Reconsideration, and the response thereto, but finds that Dialog has not offered any additional evidence justifying a grant of rehearing or a modification of the October 26 Order. Given the length and history of this proceeding, the Commission finds that Dialog has exhausted its administrative remedies and the Franklin Circuit Court is now the appropriate venue for a review of this matter.

IT IS HEREBY ORDERED that Dialog’s Motion for Reconsideration and Emergency Relief is denied.

Done at Frankfort, Kentucky, this 20th day of November, 2007.

By the Commission

Commissioner Clark Abstains.
