

KRS 278.260(1) provides, inter alia, that “upon a complaint in writing made against any utility by any person that any rate in which the complainant is **directly interested** is unreasonable or unjustly discriminatory, . . . the commission shall proceed, with or without notice, to make such investigation as it deems necessary or convenient.” [emphasis added]. As a result of the transfer of ownership of Greenwood Skate Center, the Complainant no longer has a direct interest in this matter. Accordingly, we find that this matter should be dismissed without prejudice.

The Commission, on its own motion, HEREBY ORDERS that:

1. This matter is dismissed without prejudice.
2. Subject to the filing of timely petition for rehearing pursuant to KRS 278.400, these proceedings are closed. The Executive Director shall place any future filings in the appropriate utility’s general correspondence file or shall docket the filing as a new proceeding.
