

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HARDIN COUNTY)	
WATER DISTRICT NO. 1 FOR A GENERAL)	CASE NO.
RATE ADJUSTMENT EFFECTIVE ON AND)	2006-00410
AFTER DECEMBER 2, 2006)	

ORDER

On January 10, 2007, the Commission established a modified procedural schedule in the rate adjustment case filed by Hardin County Water District No. 1 ("Hardin District").

On March 20, 2007, Hardin District filed a motion requesting, in essence, that the procedural schedule be dispensed with, that no public hearing be held, and that the case be submitted to the Commission for a decision upon the present record. The next event listed in the procedural schedule was to have been the filing of any intervenor testimony on or before April 3, 2007. The only intervenor in this matter is the Attorney General of Kentucky ("AG"). Hardin District has indicated in its filing that the AG does not intend to file testimony or request additional information. The Commission notes that, since March 20, 2007, no further request for information or intervenor testimony or other documents have been filed in this case.

The Commission, having considered Hardin District's motion, the evidence of record, and being otherwise sufficiently advised, finds that:

1. Hardin District's motion should be granted.
2. The procedural schedule should be dispensed with.

3. No public hearing is necessary.
4. The case should be submitted on the present record for a decision.

IT IS THEREFORE ORDERED that:

1. Hardin District's motion to dispense with the procedural schedule is granted, subject to objection.

2. Any party shall have 10 days from the date of this Order to request a public hearing or file any objection to dispensing with the procedural schedule.

3. If, after 10 days from the date of this Order, no objections or requests for a public hearing have been filed, this matter shall stand submitted to the Commission for a decision without a further Order.

Done at Frankfort, Kentucky, this 13th day of April, 2007.

By the Commission
