STAFF NOTICE OF INFORMAL CONFERENCE

The Commission Staff herein reschedules the March 6, 2007 informal conference in this proceeding to March 8, 2007, beginning at 1:30 p.m., Eastern Standard Time, in the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

The purpose of the conference is to further discuss the adequacy of the current reliability reporting requirements and the need to develop consistent standards for reporting reliability performance. Participants should also be prepared to discuss the possibility of implementing a minimum mandatory right-of-way vegetation clearing standard. Regarding these items, participants should be ready to discuss the impact on utilities, possible benefits to the Commonwealth, and the effects on the consumer. Staff may also ask clarifying questions regarding previously filed responses to data requests.
