

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF NORTH LOGAN        )  
WATER DISTRICT TO INCREASE            )  
CERTAIN NON-RECURRING CHARGES        )        CASE NO. 2006-00498

O R D E R

On November 17, 2006, North Logan Water District (“North Logan”) applied for authority to revise certain non-recurring charges. North Logan has also included in its filing a proposed revised tariff containing its rates, rules and regulations.

North Logan was notified on November 30, 2006 that its filing was deficient and required certain information to be filed in order that the application could be deemed administratively complete. On February 12, 2007, North Logan corrected these deficiencies and the Commission has accepted its filing. North Logan has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed non-recurring charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.
2. The charges and policies set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.
3. The proposed tariff filed by North Logan should be accepted as filed.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after the date of this Order.

2. The tariff sheets filed by North Logan are approved as filed.

Done at Frankfort, Kentucky, this 27<sup>th</sup> day of February, 2007.
