Pursuant to Administrative Regulation 807 KAR 5:056, the Commission, on December 18, 2006, established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of American Electric Power Company ("AEP") for the period from November 1, 2004 through October 31, 2006. A public hearing scheduled for March 14, 2007 was rescheduled for April 26, 2007 when Kentucky Industrial Utility Customers, Inc. served notice of its intent to file testimony. At the hearing, AEP provided proof of publication of the notice for the hearing in all publications in which AEP intended to provide notice of the hearing with the exception of one newspaper which failed to publish the notification. On its own motion, the Commission continued the hearing for this proceeding until AEP has had an opportunity to provide proper notice.

IT IS HEREBY ORDERED that:

1. AEP shall appear at the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, on July 18, 2007 at 10:00 a.m., Eastern Daylight Time, to submit itself to further examination on its FAC for the period from November 1, 2004 through
