On December 4, 2006, the Commission received a complaint from Robert D. Peters against Western Rockcastle County Water Association (“Western Rockcastle”) seeking a remedy for certain water pressure problems alleged to have occurred during the past approximately 20 years, partial reimbursement for water payments made during this period, and related damages.

Western Rockcastle responded to the complaint on February 6, 2007. In its answer, Western Rockcastle stated that “[l]egitimate complaints by Robert D. Peters have previously been fully addressed,” and that it “continues to work towards solving the pressure problem of [Mr. Peters].” Western Rockcastle attached several documents to its answer in support of its claim.

The Commission, on its own motion, HEREBY ORDERS that Robert D. Peters file a response with the Commission within 15 days of the date of this Order. The response should inform the Commission as to whether Western Rockcastle has

addressed the concerns articulated in the complaint and whether Mr. Peters' complaint should be dismissed as satisfied. If no response is timely filed, the Commission will dismiss this case by separate Order.

Done at Frankfort, Kentucky, this 27th day of April, 2007.
