BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF CLIFFVIEW)
DEVELOPMENT, LLC; J. HUNT PERKINS; AND) CASE NO. 2007-00144
THE CITY OF CAMPTON FOR ALLEGED)
VIOLATIONS OF KRS 278.020(5) AND (6))

ORDER

On April 11, 2007, the Commission directed Cliffview Development, LLC ("Cliffview"), J. Hunt Perkins, and the city of Campton, Kentucky ("Campton") to show cause why they should not be penalized pursuant to KRS 278.990(1) for their alleged violations of KRS 278.020(5) and (6). The Commission's action followed notice of the transfer of control and ownership of the water distribution facilities that Cliffview owns to Campton without prior Commission authorization. Commission Staff, J. Hunt Perkins, and Campton have reached an agreement resolving this matter and have jointly submitted that agreement for Commission approval.

Having reviewed the Settlement Agreement and the evidence of record, the Commission finds that:

1. Cliffview operated a water distribution utility as part of a resort development in Lee and Wolfe counties, Kentucky.
2. As a result of the operation of this water distribution system, Cliffview was a utility subject to Commission jurisdiction.
3. On August 8, 2003, Lee Circuit Court ordered that a receiver be appointed to control, manage, and operate Cliffview's assets. A Special Commissioner of Lee

Circuit Court subsequently transferred the resort development, including the water distribution facilities, to Whittaker Bank, N.A.

4. On January 4, 2005, Whittaker Bank, N.A. transferred the water distribution system to Campton.

5. J. Hunt Perkins was listed as Cliffview's registered agent/manager on the records of the Kentucky Secretary of State.

6. The Kentucky Secretary of State administratively dissolved Cliffview on November 2, 2006.

7. J. Hunt Perkins and Campton failed to obtain Commission authorization prior to the transfer and ultimate acquisition of the water distribution facilities located on the resort development property.

8. J. Hunt Perkins and Campton failed to comply with KRS 278.020(5) and (6).

9. The Settlement Agreement is in accordance with the law, does not violate any regulatory principle, results in a reasonable resolution of this case, and is in the public interest.

IT IS THEREFORE ORDERED that:

1. The Settlement Agreement, appended hereto, is incorporated into this Order as if fully set forth herein.

2. The terms and conditions set forth in the Settlement Agreement are adopted and approved.

3. J. Hunt Perkins and Campton are each assessed a civil penalty of \$250 for their failure to comply with KRS 278.020(5) and (6).

4. Within 30 days of the date of this Order, J. Hunt Perkins and Campton each shall pay to the Commonwealth \$250. This payment shall be in the form of a cashier's check made payable to "Kentucky State Treasurer" and shall be mailed or delivered to: Office of General Counsel, Public Service Commission of Kentucky, 211 Sower Boulevard, Post Office Box 615, Frankfort, Kentucky 40602.

5. Subject to the filing of a timely petition for rehearing pursuant to KRS 278.400, these proceedings are closed. The Executive Director shall place any future filings in the appropriate utility's general correspondence file or shall docket the filing as a new proceeding.

Done at Frankfort, Kentucky, this 7th day of September, 2007.
