This matter arises upon the motion of Equitable Resources, Inc. ("Equitable") for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission, being otherwise sufficiently advised, finds that Equitable should be granted full rights of a party in this proceeding. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated May 30, 2007 and that Equitable should abide by that schedule.

IT IS HEREBY ORDERED that:

1. The motion of Equitable to intervene is granted, and Equitable shall abide by the existing procedural schedule.
2. Equitable shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Equitable file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.
