

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF NORTH CENTRAL)	
TELEPHONE COOPERATIVE CORPORATION)	CASE NO.
TO ADJUST RATES AND CHARGES FOR)	2007-00162
BASIC LOCAL EXCHANGE SERVICE)	

O R D E R

On October 11, 2007, North Central Telephone Cooperative Corporation (“North Central”) moved the Commission for waiver from certain application filing requirements (“Motion for Waiver”). On the same day, North Central submitted an application with the Commission, wherein it sought to increase its residential and business customer rates based on a fully-forecasted financial analysis, as set forth in 807 KAR 5:001, Section 10(9).

On November 9, 2007, North Central gave notice to the Commission that it was converting its rate application to one which used a historical financial analysis. As the Motion for Waiver solely concerns application requirements filed pursuant to a fully-forecasted test year, the Commission finds that it should now be dismissed as moot, in consideration of North Central’s voluntary conversion of its application to a historical test year analysis.

IT IS HEREBY ORDERED that North Central’s Motion for Waiver of Certain Application Filing Requirements is dismissed, as the issue is now moot.

Done at Frankfort, Kentucky, this 26th day of November, 2007.

By the Commission
