On June 13, 2007, David T. Wilson, attorney for Hardin County Water District No. 1 ("Hardin District"), requested by letter an informal conference with Commission Staff to discuss possible revisions to its tariff on the billing of service to mobile home parks. The Commission established this case in response to this letter and held an informal conference on August 22, 2007.

At the informal conference, Hardin District officials advised that the water district's request was not intended as a tariff filing, but merely a request for an informal conference.

On October 17, 2007, Hardin District filed tariff sheets to revise its existing policy.<sup>1</sup> Finding no basis for continuing this case on the Commission's active docket, the Commission HEREBY ORDERS that this case is closed and is removed from the Commission's docket.
