O R D E R

On October 17, 2007, Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) filed a motion to revise the current procedural schedule to allow LG&E and KU to file responsive comments. Currently, the procedural schedule sets an October 26, 2007 deadline for the filing of comments by any party desiring to do so. LG&E and KU’s stated reason for the request is to allow them to respond to any proposed modifications to the Demand Side Management programs contained in the Intervenor’s comments and possibly eliminate the need for a hearing in this proceeding. LG&E and KU propose to submit their responsive comments by November 2, 2007, which would be 7 days after the deadline for Intervenor’s to file their comments.

On October 25, 2007, the Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. (“CAC”), filed an objection to LG&E and KU’s motion to revise the current procedural schedule. Asserting that LG&E and

KU should know what CAC's position is with respect to the weatherization program in light of the extensive discovery that has already been conducted in this matter, CAC argues that LG&E and KU should not be entitled to vary the procedural schedule to allow them additional time to file responsive comments subsequent to the Intervenors filing their comments.

Pursuant to the Commission's Order issued on August 8, 2007, motions for extensions of time with respect to the procedural schedule will be granted only upon a showing of good cause. The Commission finds that allowing responsive comments and possibly removing the need for a hearing constitutes good cause and should be granted. In addition, the Commission will revise the procedural schedule to allow all parties to state whether they wish to have a hearing.

The Commission hereby amends the procedural schedule set out in our Order of October 12, 2007. An amended procedural schedule is set forth in Appendix A, which is attached hereto and incorporated herein.

IT IS THEREFORE ORDERED that:

1. LG&E and KU's motion for leave to file responsive comments is granted.
2. LG&E and KU shall file their responsive comments no later than November 2, 2007.
3. The procedural schedule set forth in Appendix A, which is appended hereto and incorporated herein, shall be followed and supersedes the previous schedules established in the Commission's August 8, August 24, and October 12, 2007 Orders.

4. Any party wishing to request a hearing shall notify the Commission in writing no later than November 9, 2007. Such notification shall state the reason that a hearing is necessary and shall identify any witness that the party intends to call.

5. If no request for a hearing is received by November 9, 2007, this matter shall stand submitted for decision.

6. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.

Done at Frankfort, Kentucky, this 30th day of October, 2007.
