O R D E R

On November 2, 2007, Louisville Gas and Electric Company and Kentucky Utilities Company (collectively "Applicants") filed Joint Motions for Leave to Amend Application and to Modify Procedural Schedule. The Applicants request leave to amend their application, noting that several tables of energy and capacity savings data contained in the Program Plan, filed on July 19, 2007, needed clarification and that one contained a typographical error. The Applicants attached corrected data tables to their motion and requested that the corrected data tables be substituted for the corresponding pages in the Program Plan.

The Applicants also sought to modify the current procedural schedule to allow the Intervenors an opportunity to revise their previously filed comments to address the clarified Program Plan data tables, as well as to allow the Applicants an opportunity to respond to the Intervenors' comments. The Applicants indicate that the three

Intervenors who filed comments in the proceeding have authorized the Applicants to state that they have no objection to these motions.

The Commission, having considered the Applicants' motions and finding good cause to allow the Applicants to amend their application, and to amend the procedural schedule, HEREBY ORDERS that:

1. The Applicants are granted leave to amend their application by substituting the clarified and corrected Program Plan data tables attached to their motions for those to which they correspond in the Applicants' Energy Efficiency 2008-2014 Program Plan.

2. The Intervenors shall file revised comments, if any, to address the Applicants' clarified and corrected data tables no later than November 16, 2007.

3. The Applicants may file responsive comments no later than November 23, 2007.

4. Any request for a hearing shall be filed on or before November 30, 2007.

Done at Frankfort, Kentucky, this 13th day of November, 2007.

By the Commission

Commissioner Clark Abstains.
